

For Immediate Release

From: The Branch-Hillsdale-St. Joseph Community Health Agency

Date: 11/11/09

The Branch-Hillsdale-St. Joseph Community Health Agency will be having an H1N1 clinic in Hillsdale County, this Saturday, November 14, 2009. This clinic will be open from 9:00am to 12:00 noon. This clinic is for vaccination of the following target groups only:

- Children 6 months to 5 years of age
- Mothers/Dads & care givers of children under 6 months of age,
- Pregnant women
- Persons 6-64 with chronic medical conditions (asthma, lung and kidney disease, blood disorders)
- Young adults ages 18-24

This clinic is not intended for school age children as our school clinics are now underway and they will be vaccinated at their school. Young adults ages 18 to 24 are not typically vaccinated in a school clinic so they are being added to this weekends clinic.

There is no fee associated with any of these vaccinations.
