Who is to be vaccinated?

*** Everyone – the target group restrictions have been lifted. Anyone over 6 months of age is eligible and encouraged to be vaccinated at these clinics.

- ✓ School age children under 10 are still being encouraged to be vaccinated in their schools. The Second shots for school children have already begun. Children who missed the vaccination in their school may attend these clinics.
- ✓ There is no fee for H1N1 vaccinations; no appointments are necessary
- ✓ For more information about H1N1 flu and clinic dates and time, visit the Community Health Agency website at:

www.bhsj.org
