

For Immediate Release

Date: 12/01/2009

Who: The Branch-Hillsdale-St. Joseph Community Health Agency

What: H1N1 Immunization Clinic

When: Saturday, December 5th from 9:00am to 12:00 noon

Where: The Branch-Hillsdale-St. Joseph Community Health Agency
1110 Hill Street, Three Rivers, MI

Who is to be vaccinated?

- Persons 6 months - 24 years of age
- Persons 25-64 years with chronic health conditions
- Pregnant and post-partum women
- Day care workers and/or caregivers to children under 6 months of age
- Healthcare and emergency medical services personnel

As vaccine supplies remain limited, only persons in the listed target groups will be vaccinated. As vaccine supplies increase, we will be offering vaccination to the general public.

- School age children under 10 are encouraged to be vaccinated in their schools. The second shot for St. Joseph County school children is scheduled to begin in mid-December. Children who missed the vaccination in their school are encouraged to attend this clinic.
- For more information about H1N1 flu and clinic dates and time, visit the Community Health Agency website at:
