The Branch-Hillsdale-St. Joseph Community Health Agency is pleased to announce the ground breaking of our 2nd Public Health Dental Clinic. The ceremony was held at our Hillsdale office at 20 Care Drive, Hillsdale Michigan on Wednesday, August 18th at 2:00 p.m.

Our first dental clinic is located in Three Rives, Michigan and has been in operation since 2008. The Hillsdale Dental Clinic will serve those with Medicaid, Mi-Child, Delta Health Kids or low income individuals & families with income less that 200% of the federal poverty level. The dental clinic will be operated for the Health Department by the Michigan Community Dental Clinics, Inc.

The creation of this dental clinic is the result of cooperative efforts of many individuals and organizations including the Hillsdale Community Foundation, United Way of Hillsdale, the Hillsdale Human Services Network, the MSU Extension Service, the Hillsdale County Commission, the Branch-Hillsdale-St. Joseph Community Board of Health and Congressman Mark Schauer.

The dental clinic will be housed in the lower level of our Hillsdale office building and will require the renovation of 1,729 sq.ft. of our existing building and the addition of 1,282 sq.ft. on the east end of the lower level. We are planning for the dental clinic to open in January 2011.

Representative from the Health Department, Hillsdale Community Foundation, United Way of Hillsdale, Hillsdale Community Health Center, Hillsdale Human Services Network are pictured receiving a special Congressional Recognition from Congressman Mark Schauer during the ground breaking ceremony.
