

BOARD OF HEALTH Meeting Agenda for February 24, 2022 at 9:00 AM

- 1. Call to Order
 - a. Opening ceremonies Pledge Allegiance to the Flag of the United States of America
 - b. Roll Call
 - c. Approval of the Agenda*
 - d. Approval of the Minutes from 1/27/2022*
- 2. Public Comment
- 3. Health Officer's Report
- 4. Medical Director's Report
- 5. <u>Committee Reports</u>
 - a. Finance Committee Minutes from the February 14, 2022 Meeting*
 - b. Program, Policies, and Appeals Minutes from the February 14, 2022 Meeting*
- 6. Financial Reports
 - a. Approve Payments*
 - b. Review Financials

7. New Business

- a. Employee Recognition
- b. MCDC Painting*

8. Departmental Reports

- a. Area Agency on Aging
- b. Personal Health & Disease Prevention
- c. Environmental Health
- 9. Public Comment
- 10. Adjournment Next meeting: March 24, 2022

Educational Presentation from Health Education and Promotion

January 27, 2022 – Board of Health Meeting Minutes

The Branch-Hillsdale-St. Joseph Community Health Agency Board of Health meeting was called to order by Chair, Kathy Pangle at 9:01 a.m. with the Pledge of Allegiance to the Flag of the United States and roll call as follows: Kathy Pangle, Tom Matthew, Brent Leininger, Mark Wiley, and Jared Hoffmaster.

Also present from BHSJ: Rebecca Burns, Karen Luparello, Theresa Fisher, Laura Sutter, Kali Nichols, and Paul Andriacchi.

Mr. Leininger moved to approve the agenda, with support from Mr. Hoffmaster. The motion passed unopposed.

Mr. Hoffmaster moved to approve the minutes from the December 13, 2022, meeting with support from Mr. Wiley. The motion passed unopposed.

Mr. Leininger moved to elect Mr. Matthew as the Board Chair, with support from Mr. Hoffmaster. The motion passed unopposed.

Ms. Pangle moved to elect Mr. Wiley as the Board Vice-Chair, with support from Mr. Leininger. The motion passed unopposed.

Ms. Pangle moved to assign Mr. Hoffmaster, Mr. Leininger, and Mr. Houtz to the Finance Committee, with support from Mr. Hoffmaster. The motion passed unopposed.

Mr. Leininger moved to assign Mr. Wiley, Mr. Matthew, and Ms. Pangle to the Program, Policy, and Appeals Committee, with support from Mr. Wiley. The motion passed unopposed.

Public Comment: Public comment was given by Resident Mapes, Resident Lashaway, and Resident Adams.

Rebecca Burns, Health Officer, reviewed her monthly report. Items included: COVID Testing, COVID Vaccinations, COVID-19 Therapeutics, COVID Omicron Varient, COVID-19 Data Round-Up, School Communication, Workplace COVID Safety, Sturgis Office, Agency Audit, MCDC Hillsdale Location, Homeless Point in Time Count, Rural Opioid Implementation Grant, KN95 Masks, Monoclonal Antibody Treatment in Short Supply, and 7-Day Positivity Graphs.

Karen Luparello, reviewed the Medical Director's monthly report. This month's educational report was titled, "What is Radon Gas?".

Committee Reports:

- Finance Committee Mr. Hoffmaster moved to approve the minutes from the January 10, 2022 Finance Committee Meeting with support from Mr. Leininger. The motion passed unopposed.
- Program, Policy, and Appeals Committee Mr. Wiley moved to approve the minutes from the January 10, 2022 Program, Policy, & Appeals Committee meeting with support from Ms. Pangle. The motion passed unopposed.

Financial Reports/Expenditures

• Mr. Hoffmaster moved to approve the expenditures as reported with support from Mr. Leininger. The motion passed unopposed.

Unfinished Business

o None

New Business:

- Ms. Pangle moved to approve the Board of Health Meeting Schedule as amended to remove duplicate meeting dates/times, with support from Mr. Wiley. The motion passed unopposed.
- Mr. Wiley moved to approve the By-Laws, as presented, with support from Ms. Pangle.
 - Mr. Leininger moved to amend Mr. Wiley's motion to strike section 4, from Article IV, with support from Mr. Hoffmaster. The motion to amend passed unopposed. The motion, as amended, passed unopposed.
- Ms. Pangle moved to approve the Health Officer Evaluation Policy, as presented, with support from Mr. Wiley.
 - Mr. Leininger moved to amend Ms. Pangle's motion to include a fourth bullet which reads, "Board of Health Members will be presented a copy of the employee satisfaction survey prior to the evaluation taking place." The motion received support from Mr. Wiley. The motion to amend passed unopposed.

The motion, as amended, passed unopposed.

- Mr. Hoffmaster moved to approve the updated Personnel Policy, as presented, with support from Mr. Wiley. The motion passed unopposed.
- Mr. Leininger moved to approve FY21/22 Budget Amendment #1, with support from Mr. Hoffmaster. The motion passed unopposed.
- Mr. Wiley moved to approve the proposal to contribute \$50,000 toward an incentive package to assist MCDC in hiring a dentist for the Hillsdale MCDC clinic. The motion received support from Mr. Hoffmaster. The motion passed unopposed.
- An Information report was reviewed related to the Census Data used for county appropriations.

Departmental Reports:

- Personal Health & Disease Prevention
- Environmental Health
- Area Agency on Aging

Public Comment: Public comment was given by Resident Mapes, Resident Lashaway, and Resident Adams.

With no further business, Ms. Pangle moved to adjourn the meeting with support from Mr. Leininger. The motion passed and the meeting was adjourned at 11:25 AM.

Respectfully Submitted by:

Theresa Fisher,

Health Officer's Report (Initial) to the Board of Health for February 24, 2022 Prepared by: Rebecca A. Burns, M.P.H., R.S.

Agency Updates

COVID Recovery Phase: As case rates drop and we move out of the Omicron surge, as more therapeutics come available to treat COVID, and as our knowledge of the disease continues to increase; MDHHS has made changes and updated the guidance for mask use. The Public Health Advisory on Masking in Indoor Public Settings has been withdrawn, including school settings.

As we move from a pandemic state to an endemic state with COVID, it is expected that we will move through the stages of the COVID-19 cycle that are presented in this graph:

Currently, Michigan is moving into the Recovery phase. The Recovery phase is characterized by a decrease in cases with no immediate resurgence of the virus predicted. It is a time of relaxing mitigation strategies when situations make it safe to do so. For example, now is a good time to have a birthday party bringing people together, but when we visit a loved one who lives in congregate care we wear a mask to protect them. In this phase public health will monitor conditions watching for conditions which could lead to a future surge.

BHSJCHA messaging on the Recovery phase includes the following key points:

• Get vaccinated if you are not or ensure that you are up-to-date on all recommended doses.

- While supplies are free and available, take advantage of the opportunity to obtain free over-thecounter test kits to keep at home.
- Free KN95 and N95 masks are currently available at no cost in Michigan, get some for your family while they are available.
- When you are sick with COVID symptoms, stay home. Get tested.
- When visiting individuals that are immune compromised or at high risk for severe COVID disease, continue to use mitigation strategies including wearing a mask.

COVID Vaccinations: It is during Recovery that we continue vaccinating to provide protection against severe disease and death. Although the vaccines are not preventing every infection in vaccinated individuals it is providing protection against severe disease and death. Tri-county residents can schedule a vaccine appointment at <u>www.bhsj.org/scheduling</u>. Also on this page are opportunities for walk-in vaccination. The Agency advertises pop-up walk-in vaccine clinics in addition to those that require an appointment on our website.

COVID Testing: As the tri-county area has generally lower vaccination rates and even though we are moving into a Recovery phase, it is necessary for us to continue to offer testing opportunities for residents. Testing in Hillsdale County out of the MCDC lobby on Tuesday, Friday, and Saturday, in Branch County on Thursday at the Agency office and at the Welcome Center 7 days a week, and in St. Joseph County on Friday at the Agency office and on Tuesdays at Glen Oaks Community College.

The Agency continues to support schools in obtaining free testing supplies from MDHHS.

COVID Therapeutics: There is an informative Webinar for Providers on the therapeutics available and information on prescribing these therapies on the MDHHS COVID Health Care Provider page: https://www.michigan.gov/coronavirus/0,9753,7-406-98178_106077_106091---_0.0.html The Agency has recently shared that with our hospital partners so they can share it with their Providers. It is because of these new therapies and the availability of them that we can relax some mitigation measures during the Recovery phase.

COVID Omicron Variant: The Omicron variant was finally identified in an individual from Hillsdale since the January BOH meeting. This was expected and as such is now confirmed. The CDC model, Nowcast, estimates that the proportion of variants in Region 5 which includes; Illinois, Indiana, Michigan, Minnesota, Ohio, and Wisconsin at 100% Omicron as of February 12th.

COVID-19 Data Round-Up: All three counties remain at risk factor High due to the weekly positivity rate being above 10 and the weekly rate per 100,000 being above 100K. Positivity rate is considered underreported due to individuals choosing not to test or administering home tests and not reporting results. I'm also including the number of deaths attributed to COVID infection for the month of January. The data is available on the mistartmap.info site as of 2/26/22:

County	7-Day Positivity Rate	Weekly Cases per 100,000	# Deaths in January '22
Branch	14.8%	176.9	11 + 2 probable
Hillsdale	27.9%	298.2	8 + 2 probable
St. Joseph	15%	141.1	14 + 1 probable

School Communication: Local Superintendents are reporting a large number of staff and students positive for COVID during the weekly meeting I host for school Superintendents. Some schools have adopted the updated K-12 guidance which allows for a student of staff member to leave isolation after 5 days followed by 5 days of wearing a well-fitting mask when symptoms have improved and fever free, while others are choosing to stay with the 10-day isolation. Usually when a school determines it best to stay with the 10-day isolation it is due to concerns about the 5-day mask requirement and the mask being

worn properly. The local health department supports a school's decision to be more restrictive than the minimum. MDHHS minimum school quarantine requirements are outlined in this graphic:

WIC Formula Recall: On February 18th we learned of a national recall of infant powdered formula manufactured by Abbott Nutrition under the brand name Similac due to Cronobacter sakazakii contamination. This is the formula used by WIC. Our WIC team moved to action to notify Providers, WIC clients and local stores that participate in the WIC program.

Sturgis Office: I am meeting with the landlord in Sturgis to review the discussed layout which has been taped off and is ready for us to discuss further.

MCDC Hillsdale Location: The agenda today contains an action item for painting the MCDC space. Three bids were obtained with two of the contractors from the local area. As MCDC moves forward with bringing on a new dental professional, now is the time to update that space and repair damage to walls and apply a fresh coat of paint.

KN95 Masks: BHSJCHA still has supplies of KN95 masks available for free to the public. We are in process of ordering child sized KN95 masks to have available for tri-county residents as well.

FEBRUARY 24, 2022 HEALTH PROMOTION & EDUCATION – BOARD OF HEALTH REPORT FOR JANUARY, 2022

Health Promotion & Ed. Team Activities: The month of January was eventful for the Health Promotion & Education staff as we were able to welcome a new staff member to our team. Joshua Englehart, who previously worked for the Branch-St. Joseph Area Agency on Aging (IIIC) as a Victims Outreach Specialist, has joined the Health Promotion and Education team as our newest Health Educator. Josh began working with us on January 18th, and we are very excited to have him on board! We continue to work alongside our clinical staff to help support, and promote, the Covid-19 vaccination, community testing sites and subsequent booster shots. The H.P. & Ed. Team, in partnership with MDHHS, secured a large amount of State-provided KN-95 masks on January 19th; these masks have been distributed to our clinics within the agency, along with a wide array of community partners and organizations that serve the individuals of our three counties. We are proud to have been able to provide these masks and appreciate the ability of the State to supply us with the masks that made this possible.

Grant Updates: The H.P. & Ed. team is also involved in several ongoing grant projects and campaigns:

HRSA - The Rural Community Opioid Response Planning Grant: This grant was awarded to BHSJCHA in Sept. of 2020 and has completed all deliverables, including: the community needs assessment and gap analysis; the project action plan and strategic plan; the Memorandum of Understanding, and most recently, submitted the required PIMS (Performance Improvement Measurement System) report. As the performance period for this grant approaches its end (2/22/2022), we are preparing a presentation for the final Learning Collaborative meeting in February and are excited to display to the other grantees the accomplishments of our Consortium.

HRSA - **The Rural Community Opioid Response** *Implementation* **Grant (Application)**: The H.P. & Ed. Team has applied for the next step in the HRSA grant series, Implementation, which we were unsuccessful in securing for the current grant cycle. The new application focused on creating more clear and concise timeframes for project goals and objectives, which was the biggest weakness with the previous application. We are hopeful that this new submittal will meet the requirements necessary to be awarded funding when the next performance period begins in September of this year.

MPHI – "Creating an Age-Friendly Public Health System in Michigan" Update: BHSJCHA, in partnership with the Area Agency on Aging (AAA 3C) & Region 2 Area Agency on Aging (R2AAA) were awarded this grant in May of 2021. The goal of this project was to utilize these funds to review and revise our current practices and policies as they relate to the aging population in hopes of creating a more age-friendly public health system. In pursuit of this, we have worked through, and completed, the majority of the deliverables and goals that were laid out in the project's action plan. As we approach the end of this grant period at the end of February, we will be closing out the project by creating a "final report" and presenting the contents of this report to various stakeholders over the next couple of months.

LARA – 2022 Medical Marihuana Operation and Oversight Grant: The BHSJCHA has once again applied for the above grant that is offered through the Department of Licensing and Regulatory Affairs (LARA) Marijuana Regulatory Agency (MRA). The H.P. & Ed. team was able to submit successful applications, and fully expects to be awarded the funds once the review process is completed, for all three of our counties. Once awarded, the focus will shift to creating an action plan for the activities that will take place during the grant period. The 2022 cycle will look to partner with the quickly-expanding number of marijuana dispensaries within our 3 counties to spread the "Lock it Up" message. Our hope is to form a relationship with these businesses and help them to spread the message of safe marijuana use, and storage, to their clients.

Community Events: We have participated, or will be participating in the following events:

Date			Event		
1/1	Medical Marihuana Grant Submitted				
1/13	The	Rural	Community	Opioid	Response
			Community <i>on</i> Grant Subm		
1/20	Count	y-Level	Health Needs A	Assessmer	nt Question

MEDICAL DIRECTOR REPORT

JANUARY 2022

During the month of January 2022 activities continued to be directed toward COVID, vaccinations, third doses and boosters.

- 1. Morning checks CDC website and Johns Hopkins website to follow COVID numbers and trends.
- 2. 8AM morning telephone calls with Health Department group to continue with awareness of activities throughout the departments.
- 3. 10AM Wednesday school Superintendent calls. Private calls and conversations with individual schools prior to board meetings.
- 4. Meetings via zoom and teleconference with MDHHS.
- 5. Updated our status for MICR and vaccines online.
- 6. Standing orders were reviewed with regard to new recommendations.
- 7. Work continues for my epidemiology class and my health behavior class.

FEBRUARY

AMERICAN HEART MONTH

It's a great time to focus on your cardiovascular health.

About half of all Americans (47%) have at least one of the three key risk factors for heart disease. Some risk factors cannot be controlled, such as age and family history.

Key risk factors for heart disease

- 1. **Hypertension** high blood pressure is a major risk for heart disease. The pressure in your arteries and blood vessels is too high. If not controlled high blood pressure affects your heart and major organs. High blood pressure is often called "the silent killer" because there are usually no symptoms.
- 2. **Hypercholesterolemia** high cholesterol leads to a build up of cholesterol in the walls of the arteries. Arteries become narrow and blood flow to the heart, brain and kidneys cause organ disease.

Our liver makes enough cholesterol for our body to use. Unfortunately, we often get too much cholesterol from the food we eat. LDL (low-density lipoprotein) cholesterol is considered to be "bad" cholesterol and can cause plaque buildup. HDL (high-density lipoprotein) cholesterol, which is considered to be "good" cholesterol can protect against heart disease.

High cholesterol typically has no signs or symptoms. You can check your levels with simple blood tests.

- 3. **Diabetes mellitus** can cause sugar to build up in the blood. The risk of death from heart disease is higher in adults with diabetes. High glucose levels damages blood vessels and causes issues with many organs, including the heart.
- 4. **Obesity** excess body fat is linked to higher "bad" cholesterol and triglyceride levels. Obesity can also lead to hypertension and diabetes.

Behaviors that can increase your risk of heart disease--

Your lifestyle can increase your risk for heart disease.

- Eating a diet high in saturated fats, trans fat, and cholesterol has been linked to heart disease and related conditions, such as atherosclerosis. Also, too much <u>salt</u> (sodium) in the diet can raise blood pressure.
- Not getting enough <u>physical activity</u> can lead to heart disease. It can also increase the chances of having other medical conditions that are risk factors, including obesity, high blood pressure, high cholesterol, and diabetes. Regular physical activity can lower your risk for heart disease.
- Drinking too much <u>alcohol</u> can raise blood pressure levels and the risk for heart disease. It also increases levels of triglycerides, a fatty substance in the blood which can increase the risk for heart disease.
- **Tobacco use** increases the risk for heart disease and heart attack:
 - Cigarette smoking can damage the heart and blood vessels, which increases your risk for heart conditions such as atherosclerosis and heart attack.
 - Nicotine raises blood pressure.
 - Carbon monoxide from cigarette smoke reduces the amount of oxygen that your blood can carry.
 - Exposure to secondhand smoke can also increase the risk for heart disease, even for nonsmokers.

How do genetics and family history impact your risk of heart disease?

Genetic factors likely play some role in high blood pressure, heart disease, and other related conditions. However, it is also likely that people with a family history of heart disease share common environments and other factors that may increase their risk.

The risk for heart disease can increase even more when heredity combines with unhealthy lifestyle choices, such as smoking cigarettes and eating an unhealthy diet.

Do age and sex affect the risk of heart disease?

Heart disease is the number one killer of both men and women. Heart disease can happen at any age, but the risk goes up as you age.

Do race and ethnicity affect your risk of heart disease?

Heart disease and stroke can affect anyone, but some groups are more likely to have conditions that increase their risk for cardiovascular disease.

Heart disease is the **leading cause of death** for people of most racial and ethnic groups in the United States, including African Americans, American Indians and Alaska Natives, and white people. For Asian Americans and Pacific Islanders and Hispanics, heart disease is second only to cancer.

February 14, 2022 – Board of Health, Finance Committee Meeting Minutes

The meeting was called to order at 11:17 p.m. by Jared Hoffmaster, with roll call as follows: Jared Hoffmaster, and Brent Leininger.

Also present from BHSJ: Rebecca Burns, Laura Sutter, and Bonnie Saddler.

Public comment:

o None

New Business:

- Mr. Hoffmaster moved to recommend that the full Board approve to accept the bid from Atkinson Paint for painting services in the Hillsdale Dental Clinic.
- Rebecca Burns presented information concerning the MCDC Dentist Incentive. The Finance Committee will review when the contracts are completed and will be presented to the full BOH.
- Laura Sutter presented information on American Rescue Plan Funds AAA. Additional information will come after provider input, which will be on the agenda for March Finance Committee.
- There was a discussion concerning the pending the continuation of our current law firm.
 Rebecca will be investigating retainer vs. hourly rate, considering the number of hours used over the last few years. More information to be presented next month.

Public comment:

o None

With no further business the meeting was adjourned at 12:01 PM.

Respectfully Submitted by: Bonnie Saddler

February 14, 2022 – Board of Health, Program, Policy, & Appeals Committee Meeting Minutes

The meeting was called to order at 1:02 p.m. by Tom Matthew, with roll call as follows: Mark Wiley, and Tom Matthew.

Also present from BHSJ: Rebecca Burns and Bonnie Saddler.

Public comment:

• Public comment was made by Resident Wortz.

New Business:

- Mr. Wiley recommended that Rebecca Burns present additional information to the Program, Policy, & Appeals committee next month before making the motion to approve continuation with the same law firm, such as what would Federal Court hourly charge be if needed.
- Employee Recognition letters were signed by Mr. Wiley and Mr. Matthew. The list of employees will be up for full approval at the next BOH meeting.
- Mr. Wiley recommended a review of by-laws relating to the handling of disruptive public comments. This topic will be on the agenda for March Program, Policy, & Appeals Committee Meeting.

Public comment:

o Public comment was made by Resident Adams, Resident Mapes, and Resident Wortz.

With no further business the meeting was adjourned at 1:35 PM.

Respectfully Submitted by: Bonnie Saddler

The Agency is currently 6.56% under budget.

*4/12 Months = 33.33%

**4/9 Months = 44.44%

RU 405: New Grant Writing program used to evaulate how much is spent on grant writing activities. We will156.10% monitor and amend in the final amendment.

Program shows over budget because we have already received 62% of the revenue budgeted, in a one-RU 010: time payment from MMRMA. This causes the indirect expenses not to be distributed to the programs 62.33% as expected. Legal fees are also running higher than expected. We will continue to monitor and will amend in the final amendment. _ . . л.

RU 008:	Over budget due to end of year sick time payout and vacation time payout when a long-term employee
59.44%	retired. This should fall back in line with budget as year progresses, but we will continue to monitor
59.44%	and may need to adjust in an upcoming amendment.

RU 325: Budget for RU 325 must be fully expended before expenses can be charged to RU 112. When looking44.95% at these two budgets together as one the program is with in budget at 32.14%

RU 032: 38.54% 9-Month Program - within budget 44.44%

RU 012: Over budget due to annual membership and consulting expenses fully expended in October -this35.44% program will fall back in line with budget as year progresses.

RU 341: Slightly over budget due to large annual flu vaccine purchase expended in October - this program will33.58% fall back in line with budget as year progresses.

RE: Atkinson Painting

To Whom it May Concern,

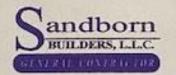

Atkinson Painting has been the exclusive painting contractor for RCW General Contractors, Inc. for the past 16 years. During that time Atkinson Painting has completed 12-15 jobs per year. All projects have been completed on-time, with attention to detail and the commitment to do whatever it takes to get the job done. Doug and his staff have outstanding work ethic and drive. This is why there has not been a project in the past 16 years that Atkinson Painting has not been on. I consider Doug and his company to be a part of the RCW family and I don't see that ever changing.

Sincerely,

Brandon Wood

February 9, 2022

To Whom It May Concern,

It is my pleasure to recommend, Atkinson Painting, Doug Atkinson is a skilled painter. He has work on over several new home projects for me and has worked for me for over ten years.

Doug has always performed in a timely fashion. He is courteous and professional with homeowners. His workmanship is high quality and talented. I would highly recommend him for any painting project.

If you have any questions or would like to talk with me, you can reach me at cksandborn@yahoo.com or (517)202-1911.

Sincerely,

Chiis Janborn

Chris Sandborn Sandborn Builders LLC

Updates:

- 1. Services to Victims of Elder Abuse Program Updates
 - We have received a good response to the Elder Abuse Victim Specialist vacancy announcement and are in-process interviewing candidates.
 - The revised BHSJ Community Health Agency 2022 Personnel Policies were sent to the Division of Victim Services as another follow-through item with regard to the contract review that occurred last spring. They shared this response: "Thank you for sharing the newly revised personnel policies. I appreciate your commitment to striving for excellence in both service delivery and the implementation of the Elder Abuse Project. DVS appreciates the work you and your team are doing every day in meeting the needs of victims."
- 2. The American Rescue Plan (ARP) funding has been awarded to the Area Agencies on Aging in Michigan!
 - In Region IIIC, we received over \$450,000 for services across 5 funding categories: IIIB Supportive Services, IIIC1 Congregate Meals, IIIC2 Home Delivered Meals, IIID Preventive Health, and IIIE Caregiver Services.
 - The ACLS Bureau has not yet issued guidance on the funding, which is key in moving forward. ACLS has shared that there is flexibility to purchase equipment, match will be required (for service funds and administrative funds), special program reporting will be required, and the funds can be carried forward through Sept. 2024.
 - As we discussed with the Finance Committee, gathering input from providers will be essential in planning for the use of these funds. Targeting individuals who are greatest in need, including those on waiting lists are always a top priority. We would like to address gaps in services and/or other creative ideas if at all possible. The ARP funds are an opportunity!
 - We will move forward with setting a provider meeting once the Bureau guidance is issued.

In other funding news... The Bureau will be issuing additional nutrition program funding (Supplemental HDC5) very soon. The current federal budget remains under (another) continuing resolution through March 11th which always keeps things interesting. We will keep the Board updated moving forward.

3. Our team is busy distributing PPE to the public, community agencies and network partners. KN95 masks have been popular, as well as hand sanitizers! If you or an organization you are affiliated with is in need of PPE, please let me know!

Personal Health and Disease Prevention: February 24, 2022

Communicable Disease:

Several updates have been made recently to the Clinical Considerations for Use of the Covid-19 Vaccine in the United States. Most of the changes apply to those who are moderately or severely immunocompromised. Some of the changes made recently include the following:

- It is no longer necessary to delay vaccination following receipt of monoclonal antibodies or convalescent plasm.
- Those who are immunocompromised may receive a total of 4 doses (primary series (2 doses), 1 additional dose, and 1 booster dose).
- Those who are immunocompromised can now receive a booster dose at 3 months versus 5 months.
- Those who are immunocompromised and received the J&J vaccine are now recommended to receive an additional dose and a booster dose, for a total of 3 doses to be up to date on vaccination.

Primary series vaccination is still recommended for everyone 5 years and older in the United States. Currently, the 6 months to 4-year-old Pfizer vaccine has been delayed.

Our new CDCF Epidemiologist has on-boarded with us. We are working to get him up to speed and trained in the necessary programs for his position.

I've spoken with several community members in the last week or so who did not realize that we can provide mobile services to a certain extent with Covid and influenza vaccination, if necessary. We are able to visit the homes of those who are home-bound or who have difficulty reaching our locations to provide these types of services.

Immunizations/STD/HIV:

Vaccination coverage has declined since the onset of the Covid-19 pandemic. We continue to send recall letters out making families aware of those who are not up to date on routine immunizations. We do get responses from sending these letters out and our staff will make attempts to reach clients via phone as well.

Much of the guidance for vaccination on Covid-19 can get quite confusing so I have included two tables below from the CDC that I believe help to clearly depict eligibility.

Women, Infant, and Children (WIC):

Our Clinic Supervisor and WIC Coordinator position has now become available at our Hillsdale County location. We are seeking a full-time BSN candidate for this position.

Children's Special Health Care Services (CSHCS), Lead, and Hearing & Vision:

We have an opportunity to provide mandated reporting training to our clinic staff. This information came about through our CSHCS team and the CPS Supervisor for Hillsdale County. We would like to expand the opportunity and provide it to all of our staff here at the agency.

CSHCS has recently added sickle cell as a lifetime coverage instead of coverage ending at age 21. Hearing & Vision Techs are starting to schedule Kindergarten round-ups for the spring season. TABLE 2. COVID-19 vaccination schedule for the primary series in the general population* TABLE 2: COVID-19 vaccination schedule for the primary series in the general population

TABLE 2. COVID-19 vaccination schedule for the primary series in the general population

Branch-Hillsdale-St. Joseph Community Health Agency Environmental Public Health Services Report for the February 24, 2022 Board of Health Meeting Prepared by Paul Andriacchi R.E.H.S, Director of Environmental Health

Food Service Sanitation

Bronson Nutrition (a nutrition shake facility) is a new food establishment that opened in Branch County last month. There were three other new establishments that submitted plan reviews to our agency last month as well. All three of those facilities are located in St. Joseph County. There are at least three other food establishments that are proposing to open in St. Joseph County as well but we have not received plans for review yet.

We were hoping to start holding our food manager certification classes again after our shut down for Covid-19 but we had run into an issue with the exam provider. The provider that we use for the exams is still not willing to send out the exam booklets for in person testing. Once they allow for in person testing, we will resume our classes. In the meantime, we have instructed our managers to attend one of the many on-line classes that are available.

Well and Septic

We are still searching for candidates to fill our open sanitarian position in Hillsdale County. That position is a split position between the food program and field program. The position has been posted for almost 60 days and we have not gotten any qualified candidates to this point. We have expanded our search by posting the position to a number of colleges and universities to try and garner interest from students who may have recently graduated or will be graduating soon.

Other Programs

Follow up sampling was recently done in the White Pigeon PFAS site. All the homes that were tested during the initial investigation were going to be resampled. To date, I have not seen any results for this round of sampling.

I recently meet with staff members from EGLE and MDHHS to discuss another possible PFAS contamination site in St. Joseph County. In 2005 there was a tire fire at a tire recycling facility in Colon Township. It was reported that fire suppressant foam was used to fight this fire. As we now know, those foams, AFFF (aqueous film-forming foam) contain a two PFAS chemicals: PFOA-perfluorooctane acid and PFOS perfluorooctane sulfanic acid. The site of the fire is pretty remote, however there are 3 houses that are between site and the St. Joseph River. We are just in the early stages of the investigation but the initial plan is to do testing on the 3 nearby homes along with two others that are on the other side of the Joseph River. As this investigation proceeds, I will provide updates.

Food Inspection Codes:

P-This indicates a priority violation which is a violation which includes a quantifiable measure to show control of hazards such as cooking, cooling, reheating and handwashing. It is in general terms a violation that can potentially lead directly to an illness.

Pf-This is a priority foundation violation which is a violation that supports a priority violation. For example, the lack of soap or towels at a handwash sink is a Pf. This supports the priority violation of not washing hands.

C-This is a core violation-This is an item the usually relates to general sanitation, operational controls and maintenance of facilities and equipment.
