- h) Appoint a health officer and a medical director, who shall each meet the standards of training and experience established by the Department.
- i) Establish general policy guidelines within which the health officer shall execute the Community Health Agency programs.
- j) Audit all claims against the Community Health Agency and apportion approved claims as provided under the approved formula established under Section 2417 of the Public Health Code, as amended (MCL 333.2417).

SECTION VIII.

POWERS OF THE BOARD

The Board shall have all the rights, powers, duties and obligations of a District Health Department created under MCL 333.2415, as are set forth in the Public Health Code, Public Act 368 of 1978, as amended. IN addition, the Board shall have the following powers and duties, to the extent these powers and duties are not in consistent with the powers of a District Health Department.

1. To enter into contracts, including contracts for the purchase of public health services with private persons and/or entities or public agencies.
2. To acquire ownership, custody, operation, maintenance, lease or sale of real or personal property, subject to any limitation on the payment of funding therefore now or subsequently imposed by the Public Health Code, 1978 PA 368, as amended.
3. To dispose of, divide, and distribute property.
4. To accept gifts, grants, assistance, funds or bequests.

5. To make claims for federal or state aid payable to the participants in the programs of the Board.
6. To incur debts, liabilities or obligations which do not constitute the debts, liabilities or obligations of any of the parties to this agreements, subject to any limitations thereon which are now or hereafter imposed by the Public Health Code, 1978 PA 368, as amended.
7. To, in its own name, employ employees and agents, which employees or agents shall be considered employees or agents of the board. The Board shall have the powers, duties and responsibility for establishing policies, guidelines and procedures for employees and shall have the power, duty and responsibility to establish wages and fringe benefits such as, but not limited to, sick leave, vacation, health insurance, pension and life insurance; to provide for workers' compensation and for any and all other terms and conditions of employment of an employee of the Board. However, any employee initially transferred to the Branch-Hillsdale-St. Joseph Community Health Agency by any of the contracting Counties or from the predecessor Branch-Hillsdale-St. Joseph Community Health Agency shall continue to have all benefits, obligations and status with respect to pay, seniority credits, and sick leave, vacation, insurance and pension credits that the individual held as a County or Community Health Agency employee. The above-stated conditions and limitations upon the transfer of County or Community Health Agency employees shall not serve to limit the right of the Board to hire County or Community Health Agency employees voluntarily seeking a job change upon such terms and conditions as the Board and the individual may agree.
8. To fix and collect charges, rates, rents or fees where appropriate and to promulgate rules and regulations related thereto. They shall include the power to set fees for the Community Health Agency services as authorized by Section 2444 of the Code. All fees shall be paid into the general fund of the Community Health Agency.
9. The powers of the Community Health Agency shall be liberally construed consistent with the Constitution and statutes of this state.

SECTION IX.

HEALTH OFFICER

The health officer shall function as the chief executive and administrative officer of the Branch-Hillsdale-St. Joseph Community Health Agency and shall execute and administer the Branch-Hillsdale-St. Joseph Community Health Agency in accordance with the approved program statement and budget, the general policy guidelines established by the Board, the applicable procedures and regulations, and the provisions of state statute. The terms and conditions of the health officer's employment, including tenure of service, shall be as mutually agreed to by the Board and health officer and shall be specified in writing.

SECTION X.

FINANCES

The Board shall have the budgetary and financial control over the Community Health Agency. The Board shall base its request for county financial contributions on the proposed budgetary needs of the Community Health Agency. These financial contributions may come from the general fund of each county or from any fees collected by the Community Health Agency in that county or a combination thereof. Payment of the financial contribution of each county shall be made under such terms as shall be specified by the Board and approved by the respective boards of commissioners. The financial contribution shall be approved by each county based on the financial needs of the Community Health Agency. The contribution scheduled shall be allocated pro-rata among the counties based on the percent of population of each county as compared to the population of the tri-counties as shown in the last decennial federal census. The last decennial federal census shall be adjusted by subtracting the State prison population from Branch County's population. In the event that the services of the Community Health Agency are requested or required to be provided at the State prison, Branch County shall be responsible for any and all associated costs up to a capped amount. The capped amount shall be calculated by multiplying the current year's pro-rata rate and the prison population as recorded on January 1st of the current year. The financial contribution shall be computed annually and shall be approved as required by Section 2417 of the Public Health code (MCL 333.2417). Nothing in this Agreement shall bind a county to accept the annual allocation request by the Board.

If a county fails to allocate its full amount requested, the Board may not pass its budgetary shortfall to the other counties. However, the board in its discretion may elect one of more of the following options, taking into account the amount of the non-payment, its duration, the financial condition of the Community Health Agency and such other factors as it deems relevant:

1. Reduce services in the non-paying county consistent with the non-payment;
2. Raise fee rates for services in the amount the Board deems necessary.
3. Recommend the dissolution of the Community Health Agency.
4. Any combination of the above as determined by the Board.

State and local contributions and all other funds received shall be handled and banked directly by one of the treasurers of one of the member counties as selected by the Board, which has the duty to insure that the funds are banked and accounted for consistent with requirements of law for local governmental units.

The Board shall be credited all investment income (minus reasonable handling fees) derived from the assets of the Community Health Agency. All interest income shall also be credited into the general fund of the Community Health Agency.

SECTION XI.

AUDIT

The Community Health Agency shall conduct an annual agency audit in accordance with the law and as directed by the Board. A copy of the audit shall be given to each Board member upon its completion. If requested by a county, a representative of the auditing firm and the Community Health Agency shall appear before the Board of Commissioners of each county and answer questions regarding the audit or any other aspect of Community Health Agency activities. The counties shall have access to all Community Health Agency records except those records subject to a legally recognized privilege.

SECTION XII.

INFORMATION

The Board shall provide to Branch-Hillsdale-St. Joseph Counties, separately and/or jointly, as requested, any and all information related to the operations of the Board on a timely basis.

SECTION XIII.

NOTICES

Any notices required by this Agreement shall be deemed made when mailed certified mail, return receipt requested, to each county clerk, to each chairperson of the Board of Commissioners of each participating county, and the Health Officer of the Community Health Agency.

SECTION XIV.

COUNTY ORDINANCES

Nothing in this agreement shall restrict the right of a county to enact a local ordinance affecting its public health needs and setting fees in any such ordinance. However, any such ordinance shall not impose an obligation or duty on the Community Health Agency or its personnel unless (a) the ordinance has been approved by the Board; provided, however, that the Board's approval shall be limited to assessing the financial and personnel impact of the ordinance on the Community Health Agency, the legality and enforceability of the proposed ordinance and potential liability to the Community Health Agency. (The general public policy considerations of whether the proposed ordinance is needed is solely the responsibility of the county which is considering enacting the proposed ordinance), (b) an agreement has been reached with the county which enacted the ordinance regarding the disposition of any fees required by the ordinance; and (c) an agreement has been reached with the county which enacted the ordinance regarding the reimbursement to the Community Health Agency of any costs of enforcement.

SECTION XV.

ORDINANCE UNIFORMITY

Each county understands the legal and practical importance of ordinance uniformity throughout the District. Each county agrees to make every effort to keep its public health ordinances uniform with those of other counties within the tri-counties. However, this Agreement acknowledges that local conditions and political desires within a particular county may result in some unique ordinance provisions.

SECTION XVI.

DURATION OF THIS AGREEMENT
AND RIGHTS UPON TERMINATION

- a) This Agreement shall continue indefinitely unless a county withdraws as provided by this Agreement.
- b) This Agreement may be terminated by the following method:
The county(ies) may give written notice of its(their) desire to withdraw as a member of the Community Health Agency to the Board of Health and to the other counties which are a party to this Agreement. The effective date of the withdrawal by the withdrawing county(ies) shall be effective sixty (60) days from the date of receipt from the withdrawing county(ies). The property division provisions of paragraph XVI.c.1 shall continue to apply to all counties, including the withdrawing county, until the property division has been completed; otherwise, this Agreement shall be terminated as to the withdrawing county on the effective date of the withdrawal.
- c) Property Division.
 - 1. If the county(ies) withdraws pursuant to Paragraph (b) above, then the following procedure shall be used. The withdrawing county(ies) shall not be obligated to pay (or will be reimbursed if it already had paid) a pro-rata portion of its(their) financial contribution attributable to the remainder of the calendar year after the effective date of the dissolution. In addition, the withdrawing county(ies) shall receive all real and personal property located within the boundaries of the withdrawing county(ies). The withdrawing county(ies) will assume any existing debt applicable to the assets which it receives. The distribution of assets shall take place as soon as possible after the effective date of the dissolution.

2. Nothing contained herein shall preclude the three (3) counties from otherwise jointly agreeing in writing to any distribution of the real and personal property among themselves as they deem proper.

- d) If the withdrawing County will assume the responsibility for any health jurisdiction or function previously performed by the Community Health Agency, or if it will assume the responsibility to pay the wages of or employ any former employee of the Community Health Agency, MCL 333.2448 shall apply, and the Withdrawing County will provide an appropriate assurance or evidence to the Community Health Agency documenting its compliance. MCL 333.2448 provides:

A city, county, district, or part thereof may enter into a intergovernmental contract necessary or appropriate to a reorganization or an assumption or relinquishing of a health jurisdiction or function authorized by this part. The contract shall provide that an employee transferred shall not lose any benefits or right as a result of the transfer.

SECTION XVII.

STATUS OF THE BOARD

The Board established pursuant to this agreement shall be a separate legal public entity with the power to sue and be sued.

SECTION XVIII.

AMENDMENT PROCEDURES

This agreement may be amended only by the mutual agreement of the participating counties pursuant to resolution authorized by each of the County Boards of Commissioners and entered into in writing, and approved as may be required by the Urban Cooperation Act (MCL 124.501, et seq.) and the Public Health Code (MCL 333.1101, et seq.)

SECTION XIX.

CONFLICT OF PROVISIONS

If there is any conflict between this agreement and the Public Health Code (MCL 333.1101, et seq.), as existing or as subsequently amended, the Public Health Code shall prevail, and those provisions of this agreement inconsistent therewith shall be deemed null, void and of no effect.

SECTION XX.

CONTINUITY

All assets and liabilities as well as the contractual rights and obligations currently in the name of the existing Branch-Hillsdale-St. Joseph Community Health Agency shall continue. Each county authorizes its Chair and Clerk to execute such documents as are necessary to effectuate this provision. The created Community Health Agency hereby agrees to assume all such transfers.

SECTION XXI.

This agreement shall not take effect until this agreement is approved by the Governor of the State of Michigan and the Director of the State Department of Community Health as provided for by law. Upon receipt of the approval of the Governor and after filing with the County Clerk of each county and the Secretary of State, this agreement shall take effect on January 1, 2013.

Partnership between Branch-Hillsdale-St. Joseph Community Health Agency (BHSJCHA) and My Community Dental Centers, Inc. (MCDC)

The BHSJCHA and MCDC currently have public dental center program agreements in place that provide for MCDC to operate dental centers in Coldwater, Hillsdale, Three Rivers and Sturgis. This partnership has been very successful in expanding access to dental care for the underserved populations, in particular adults enrolled in traditional, fee-for-service Medicaid.

The Three Rivers and Hillsdale dental centers were opened in 2008 and 2011 respectively. These agreements were predicated on a reimbursement model that required the health department to provide quarterly Intergovernmental Transfers (IGT). The local IGT drew federal matching funds that resulted in an enhanced rate of reimbursement to MCDC for dental care provided to adults enrolled in Medicaid. A provision of the dental center program agreements, provided that MCDC would in turn pay the BHSJCHA for Community Education and Outreach Services. Payments were triggered in conjunction with the IGT.

The Coldwater and Sturgis dental centers were opened in 2017. These locations have received state funding for the required match, instead of the health department quarterly IGT. Although, not specifically outlined in the public dental center agreements, MCDC has been paying the health department a Community Education and Outreach (CEO) payment of \$2,000 per chair annually. This is consistent with other health departments with MCDC dental centers receiving state funding.

In January 2023, MDHHS increased adult Medicaid dental rates to be to the average commercial dental rates. This eliminated the need for local or state IGT, which was the mechanism to enhance payment rates to MCDC. It should be noted, that these rates had not been increased in nearly 30 years and were well below break-even. Rates are now equal to average commercial, bringing them closer to break-even.

Despite this welcome change in rates, MCDC has continued to be challenged. Since 2020 the cost of providing dental care has risen significantly. This is impacted by workforce shortages, rising wages and increased cost for supplies, PPE and equipment.

MCDC requested that effective January 2024, the organization discontinue CEO payments to local health departments. MCDC has always provided supplies and materials to our local health department for dental education and outreach. MCDC has never tied payments to additional costs or specific deliverables from the local health department.

These are the CEO payments equal to \$2,000 per chair annually. These funds would be redirected into supporting the operation of the respective dental centers.

Understanding the positive and far reaching impact that MCDC has had across the Michigan and in the counties of Branch, Hillsdale and St. Joseph to expand access to dental care and improve community well-being it is recommended that BHSJ support this request for discontinuing CEO payments. All of the other health departments impacted by this request

have agreed to the change. This includes Allegan, Bay, Berrien, Calhoun, Genesee, Ionia, Kent, LMAS, Livingston, Ottawa, Saginaw and Sanilac

Lastly, the current agreement language is vague as it relates payments to the health departments in the absence of state funding or in the event that dental rates are reduced and there is a need for local IGT in the future. Amendment language is proposed that would provide for an annual meeting to mutually agree to the scope and budget should local IGT be needed. The proposed agreement is attached for review and approval.
