The Branch-St. Joseph AAA mission is to provide a full range of high-quality services, programs and opportunities which promote the independence and dignity of older adults while supporting those who care for them throughout Branch and St. Joseph Counties. As an autonomous department within the Branch-Hillsdale-St. Joseph Community Health Agency, our agency has held this mission since our designation as an Area Agency on Aging in 1996. We are one of 16 AAAs in the State of Michigan responsible for administering Older Americans Act and Older Michiganians Act funding to address the needs of older adults age 60 and over, and family caregivers living in Branch and St. Joseph Counties. Our Vision states: We envision inclusive communities filled with enriching activities and opportunities for older adults. Where people who have questions or needs can find assistance and support in a manner that suits their preferences.

Our Values include:

1. We place the people we serve at the center of our operations , honoring their preferences and privacy.

2. We assure efficient use of public and private resources .

3. We develop programs and services using an inclusive process to promote healthy aging and livable communities for all ages.

4. We exhibit strong leadership which responds to changing needs and fosters collaboration and cooperation throughout the communities we serve.

5. We use effective communication to carry out our mission and vision in an open, respectful and unbiased manner.

The two-county planning and service area (PSA) is completely rural, yet we have a diverse population and

a wide continuum of agencies providing supports and services. One of our biggest strenghts, and most poignant over the past three years, has been our organizational structure as being a division within local public health. Handling a pandemic alongside a team of public health officials is much different than being a separate entity! Some of the lessons learned throughout 2020, 2021, 2022 and now 2023 have permanently shaped and reaffirmed our place here, within the Community Health Agency. We continue to respond to inquiries related to the vaccine, testing and accessing health care services. We continue to answer these calls, live. We continue person-centered information & assistance, referral and over the phone options counseling with families, individuals and professional seeking answers. We will continue to serve vulnerable adults who've been victims of abuse, neglect and/ or exploitation through our Victim Assitance Program funded by the MDHHS Division of Victim Services. All of these projects and core functions remain what we're most proud of in PSA IIIC.

Friendly Reassurance calls and Gap Filling services have continued and addressed unique situations & needs among those individuals who reside alone and without many family supports. Further, the community partnerships that were built as we addressed food insecurity, housing emergencies and service delays have remained intact and further leveraged to support ongoing needs. We've also continued to focus on immunization support among adult foster care homes and homes for the aged. By coordinating communication, the facilities' needs for the type of immunization and the health department clinic team and mobile clinic unit, we have been able to offer the supports on-site to staff, residents ans d families/friends. Additional marketing and outreach will continue into 2024 focusing on immunization supports available through the Community Health Agency clinic division.

The American Rescue Plan Act (ARPA) funding was spent nearly entirely in FY2022. Our regions direct service providers were very motivated to spend the funding to support unique supply needs, offset additional program costs, provide additional units of service, and purchase equipment to replace many aged items. New home delivered meal delivery vehicles were purchased as well as kitchen equipment for the production of home made meals. There were investments at both County Commissions on Aging for software to track activities and support operations, as well as try new programs to support emerging needs among adults with chronic conditions. SAIL, Bingocize and Arthritis Aquatics were newer evidence-based programs that were supported with ARPA funds. The remaining funds will be utilized in FY23 and FY24, including the welcomed administrative funds which will support our extended operational efforts during and post-pandemic as well as ongoing outreach and support to our community partners.

The Plan does not outline any significant new priorities, plans or major objectives for the use of Older Americans Act (OAA) or state funding during FY2024. As always, we will continue to work transparently with providers, the ACLS Bureau and our leadership team to address local needs and utilize federal and state funds in an efficient manner. Advocacy efforts are underway to develop new relationships with our elected officials in the State Legislature and US Congress . We utilize our established relationships with fellow AAA's, our state AAA Association, the Michigan Senior Advocates Council and local Advisory Committee members to share our local stories, invite legislators to local events and also participate in home visits when possible. FY2024 will be a continuation of these efforts both locally and in Lansing with legislators and their staff. There will be many messages delivered about planning for the end of the ARPA funding and how the network will move forward without these additional dollars. FY2024 could be the beginning of those funding challenges in Region IIIC, as again, many of our ARPA funds are expended yet demand remains.

Our budget, program development objectives & updates and Access Services narratives encompass the sentiments of our communities and community partners. We remain diligent and committed to serving those greatest in social and/or financial need in a manner that is respectful of their preferences and goals. Working in conjunction with a dynamic array of service providers and commuty partners at the local level, we intend to maintain high quality and accessible services for all who may seek assistance.

County/Local Unit of Government Review

COUNTY/LOCAL UNIT OF GOVERNMENT REVIEW

The Area Agency on Aging (AAA) must send a request to the chairperson of each County Board of Commissioners. Notification can be sent via U.S. Mail or by electronic means, with delivery and signature confirmation, no later than June 30, 2023. For a Planning and Service Area (PSA) comprised of a single county or portion of the county, approval of the AIP is to be requested from each local unit of government. If the AAA does not receive a response from the county and/or local unit of government by July 20, 2023, the AIP is deemed passively approved. The AAA must notify their Bureau of Aging, Community Living, and Supports (ACLS Bureau) Field Representative by July 21, 2023, whether their counties and/or local units of government formally approved, passively approved, or disapproved the AIP.

The AAA may use electronic communication, including email and website-based documents, as an option for acquiring local government review and approval of the AIP. To employ this option, the AAA must do the following:

A.) Send a letter through the U.S. Mail, with delivery and signature confirmation, or an email requiring a response confirming receipt to the chief elected official of each appropriate local government advising them of the availability of the final draft AIP on the AAA's website. Instructions for how to view and print the document must be included.

B.) Offer to provide a printed copy of the AIP via U.S. Mail, or an electronic copy via email, if requested.

Instructions

Describe the AAA's efforts, including use of electronic communication, to distribute the AIP to the appropriate county and/or local units of government to gain support.

TRIBAL NOTIFICATION

The Michigan Department of Health and Human Services (MDHHS) has an established relationship of working directly with the Federally Recognized Sovereign Indian Tribes of Michigan (Tribes). As part of this work, MDHHS recognizes the importance of Tribal notification including consultation of the complete AIP for each AAA within their PSA to encourage and foster collaboration between Title III and Title VI programming as outlined in the Older Americans Act (OAA).

AAAs, please send an official notification of your complete AIP for any Tribe(s) within your PSA for their review and consultation. If there are no Tribes within the PSA, please indicate that in your response and if a Tribe crosses more than one PSA, each AAA is still expected to send their AIP. Notification can be sent via U.S. Mail or by electronic means, with delivery and signature confirmation, no later than June 30, 2023. The AAA will notify their ACLS Field Representative by July 21, 2023, of any comments or feedback received from their Tribe(s). If no comments or feedback received, please indicate that in your response.

The AAA may use electronic communication, including email and website-based documents, as an option for Tribe notification and consultation of the AIP. To employ this option, the AAA must do the following:

A.) Send a letter through the U.S. Mail, with delivery and signature confirmation, or an email requiring a response confirming receipt to the Chairperson of the Tribal Council advising them of the availability of the final draft AIP on the AAA's website. Instructions for how to view and print the document must be included.

B.) Offer to provide a printed copy of the AIP via U.S. Mail, or an electronic copy via email, if requested.

C.) Be available to discuss the AIP with Tribal elders and/or Tribal officials, if requested.

D.) Request email notification from the Tribe of their comments and feedback of the AIP or their related concerns.

Instructions

Describe the AAA's efforts, including use of electronic communication, to distribute the AIP to the appropriate Tribe(s) within your PSA for notification and consultation. Describe any current and future collaborative efforts with Tribe(s) within your PSA. If no collaborative efforts planned, note that in your response.

The Branch-St. Joseph Area Agency on Aging (AAA) is an autonomous department within the Branch-Hillsdale-St. Joseph Community Health Agency (CHA). The CHA Board of Health serves as the AAA Policy Board. The Board is comprised of two County Commissioners from each county in the public health jurisdiction. The DRAFT FY2024 Area Implementation Plan (AIP) was formally presented to the Board of Health's Program, Policy and Appeals Committee on May 10, 2023 for discussion and thorough review. The Committee took action to bring the FY24 AIP to the full Board of Health at their regular meeting on May 17, 2023. At their May 17, 2023 meeting, the Board of Health unanimously supported the FY2024 AIP for submission to the ACLS Bureau.

The Advisory Committee members received an electronic copy on May 2nd in advance of the Public Hearing being held on May 8, 2023. Discussion about the Plans began in February 2023, with the Director offering monthly updates to Board and Advisory Committee members along with encouragement to share input, pose questions, and attend the Public Hearing in Coldwater. The Advisory Committee unanimously supported the FY2024 AIP at their May 16, 2023 meeting.

In regard to County Board of Commissioners review of the 2024 Annual Implementation Plan, the AIP was sent via electronic mail to Branch and St. Joseph County Board of Commissioners on June 1, 2023 for review and approval. Each County Administrator in the PSA was the individual to whom the Plan was

sent. <<< COMPLETE REMAINING DETAILS OF COUNTY REVIEW/PRESENTATION REQUEST >>>

The Branch-St. Joseph AAA Director will share feedback and any subsequent County action taken with our ACLS Bureau field representative .

E-mail and written testimony must be accepted for at least a 30-day period beginning when the summary of the AIP is made available.

The AAA must post a notice of the public hearing(s) in a manner that can reasonably be expected to inform the public about the hearing(s). The Branch-St. Joseph Area Agency on Aging utilized multiple methods to encourage public and community partner input on the AIP. The Public Hearings were advertised, 30 days in advance, as "public notice ads" in our three (3) main newspapers in the PSA: Three Rivers Commercial News, Sturgis Journal and Coldwater Daily Reporter. These print and electronic news outlets also coincide with our community focal points. The affidavit's for publication are also attached in the "budget and other documents" section of the AIP. Aging network providers, the Board of Health (AAA IIIC Policy Board) and the AAA Advisory Committee were also engaged in and sent notices for the Public Hearings. The FY24 AIP Draft (including the budget) was posted on our AAA website along with the Public Hearing listed in the "Upcoming Events"

section.

The Public Hearing was hosted at the main office of the Community Health Agency/AAA IIIC at 10:00 am on Monday, May 8, 2023. The only two (2) attendees were AAA staff members. We will continue to discuss the AIP draft with our Advisory Committee and Board of Health at their May meetings . To date, no formal testimony on the Plan has been received.

Approved MYP Program Development Objectives

Program development goals and objectives previously set by the AAA and approved by the CSA in this multi-year planning cycle are included as read-only. For each of these established program development objectives, a text box is included for the AAA to provide information on progress toward the objectives to date. This text box is editable.

Instructions

Please provide information on progress to date for each established objective under the section tab entitled "Progress."

For the Diversity, Equity, and Inclusion (DEI), the ACLS Bureau Operating Standards for AAAs have long required that preference be given to serving older persons in greatest social or economic need with particular attention to low-income minority elderly.

Please refer to Operating Standards for AAAs sections C-2 and C-4 along with the Document Library for the ACLS Bureau training completed on Embedding Diversity, Equity & Inclusion (DEI) within Aging Services across Michigan for the MYP 2023-2025 Cycle.

Within the progress tab, ensure to address, at a minimum, the below DEI Program Development Objectives that correlate to the MYP DEI Goal:

Improve the Accessibility of Services to Michigan's Communities and People of Color, Immigrants and LGBTQ+ Individuals.

Objective 1- Increase services provided to Black, Indigenous (tribal) and People of Color (BIPOC) and LGBTQ+ seniors served in your region. *Please include how the AAA is measuring this progress including how you will ensure that programming and outreach is culturally sensitive and welcoming to all.*

Objective 2- Increase the number of AAA staff, providers, caregivers, and volunteers trained in implicit bias, cultural competencies, and root causes of racism. *Please include a brief description of how the AAA tracks to ensure the number of individuals trained has increased.*

Objective 3- Increase availability of linguistic translation services and communications based on the cultural needs in the region in which you serve. Please include the top 3 requested linguistic translation services for your PSA. How does the AAA ensure that linguistic translation services are meeting the needs of the older adults within their PSA?

See Document Library for training PPT and recording of ACLS DEI training completed for the 2023-2025 MYP Cycle.

Area Agency on Aging Goal

A. Work with community partners to develop an adult day program in Branch County.

Objectives

1. Work to develop a viable community partner to develop an adult day program for individuals and families in Branch County.

Timeline: 10/01/2022 to 09/30/2023

Progress

We've been giving our community partners some "space" in terms of our development and timing to approach them again to discuss a Branch County Adult Day program. We last approached specific contacts in 2019, then the pandemic began in 2020, so we've paused our efforts. Our most viable entity to examine the feasibility of an adult day program is our County Medical Care facility, MapleLawn. We will work to set meetings to discuss these efforts in summer 2023.

B. Provide advocacy, information, and training to support the rights of older/vulnerable adults to live free from abuse, neglect and/or exploitation.

Objectives

 Increase the awareness of vulnerable adult abuse, neglect and exploitation throughout the PSA via participation in local partnerships, coalitions/task forces, and community groups. Timeline: 10/01/2022 to 09/30/2023

Progress

FY2023 has been a very busy year for our team in responding to victims of abuse, neglect and exploitation. As of the end of the second quarter, we've served more individuals that we served all of last fiscal year! The third quarter is also off to a busy start, receiving multiple referrals a day for the past 10 business days. Our team has been working diligently to provide victim-centered advocacy, support, resources and safety planning to assure victims stated goals are achieved. Each county's Interdisciplinary Team is meeting monthly, discussing complex cases and working to address community-specific issues related to the prevention of abuse, neglect and exploitation. Ongoing communication and collaboration with local community partners, including law enforcement and other first responders, has been a strongly held priority for our agency. Branch County officials, including our Probate Judge, Prosecutor, mental health, MDHHS, and many other organizations, worked to update and adopt "Branch County Vulnerable Adult Protocol" to address our work as we combat elder justice issues in Branch County. St. Joseph County's Protocol has been in place since 2016 and moving forward with strength!

C. Improve the Accessibility of Services to Michigan's Communities and People of Color, Immigrants and LGBTQ+ Individuals.

Objectives

 Assure AAA staff and local aging network providers are trained in diversity, equity and inclusion topics. This will include training topics on how to recognize and address unconscious bias. Timeline: 10/01/2022 to 09/30/2023

Progress

In late 2022 and early 2023, AAA staff have completed various trainings surrounding diversity, equity and inclusion. DEI training formally began in 2021 with Bureau-sponsored " Advancing Equity Through Systems Change" training. In November 2022, staff completed Implicit Bias Recognition and Remediation training, hosted by the Community Health Agency. In March 2023 various staff participated in Abelism training, LGBTQ+ Veteran Care training as well as additional hours in dementia -related trainings. During our monitoring visits with providers, we will be discussing their agency's participation in DEI trainings. Monitoring visits begin with our providers in May 2023.

 Ensure that AAA3C staff and providers use outreach methods which are culturally sensitive and welcoming to all individuals. This targeted outreach includes sensitivity for individuals from other cultures, backgrounds, and whom use other language(s) than English. Timeline: 10/01/2022 to 09/30/2023

Progress

The AAAIIIC brochure is currently being translated into Arabic and Spanish, and is due from the printer any day now as the AIP is being written! Thanks to the ACLS Bureau for supporting our efforts to translate our main outreach tool into languages spoken in our planning & service area.

In May 2023, our provider assessments/monitoring visits will begin. During these visits we will be discussing, observing and noting providers outreach methods including items published, images used, and language used in their materials. More to come on this objective!
