RFP for Audit Services

RFP Process

On July 10, 2025, the agency released a Request for Proposals (RFP) for Audit Services. The RFP was posted as a banner on the agency's website and emailed directly to five accounting firms that had expressed interest when contacted by BHSJ staff: Maner Costerisan, Gabridge & Co., Rehmann, Roslund, Prestage & Co., and Yeo & Yeo.

Proposals were due by August 8, 2025, at 2:00 PM EST. The agency received proposals from Maner Costerisan and Roslund, Prestage & Co., and a notice from Yeo & Yeo declining to submit.

Method of Evaluating Proposals

The RFP indicated that proposals would be evaluated with a strict emphasis on quality. Attributes which will be analyzed include:

- 1. Depth of governmental entities audited by CPA firm proposing.
- 2. Firm's governmental resources available.
- 3. Involvement in municipal activity and organizations.
- 4. Training of personnel in governmental (and federal grant) auditing.
- 5. Experience with district health departments.
- 6. Experience with Area Agency on Aging organizations.
- 7. Demonstrated knowledge of new audit standards and assisting governmental units with implementation and maintenance of those standards.
- 8. Quality of staff included in assignment.
- 9. Reference responses.
- 10. Availability of secondary or backup partners, if needed.
- 11. Internal quality control procedures and external quality control review.

After technical qualities have been evaluated, cost and other considerations will be evaluated. Once all factors have been evaluated, the audit firm who is most qualified and reasonable in cost will be selected.

Qualifications and Experience

Both firms are Licensed CPAs, meet the independent requirements, and have no history of substandard audit work.

- Roslund, Prestage, & Co.
 - o No prior experience with District Health Departments or Area Agency on Aging audits.
 - o General governmental auditing experience, but has fewer staff members with governmental experience (7).
- Maner Costerisan
 - o Has direct experience with BHSJ audits
 - Has direct experience with other District Health Department and Area Agency on Aging audits.
 - They have a much larger firm with more staff members with governmental experience (205), allowing for deeper specialization.

Staffing and Resources

- Roslund, Prestage, & Co.
 - o Smaller firm overall (26 FTE) with 7 dedicated to governmental audits
 - o Higher partner involvement proposed (25 hours vs 10 hours)
- Maner Costerisan
 - o Much larger pool of staff, indicating higher capacity for simultaneous engagements
 - o Greater reliance on staff-level hours (90 hours vs 38 hours), with fewer partner hours.

Cost

- Roslund, Prestage, & Co.
 - Lower cost in all years
 - o Year 1: \$17,250 (vs \$21,775)
 - o Additional program/single audit: \$3,500 (vs \$4,000)
 - o Proposes 101 hours to complete audit
- Maner Costerisan
 - Higher cost, but may reflect deeper experience in specific health department related audits
 - o Proposes 125 hours to complete audit

Recommendation

If cost control is the highest priority and you are confident that a firm can adapt to the unique requirements of health department and aging service audits without prior direct experience, Roslund, Prestage, & Co. offers a lower price and strong general governmental audit expertise.

However, if specialized experience in health and aging services is critical for ensuring accuracy, compliance, and efficiency—particularly given regulatory complexity—Maner Costerisan is the stronger choice despite the higher cost. The agency is still training its new Accountant, making it more difficult to provide the additional orientation and support a firm without prior District Health Department or Area Agency on Aging audit experience would require. Maner Costerisan's direct experience with this agency, similar district health departments, and other Area Agency on Aging organizations suggests that the risk mitigation benefits outweigh the additional cost at this time. As a result, the Agency is recommending moving forward with Maner Costerisan.

Maner Costerisan

August 8, 2025

Dear Theresa,

We are very excited about the opportunity to provide you with a proposal for professional auditing services for the Branch-Hillsdale-St. Joseph Community Health Agency for the fiscal years ending September 30, 2025, 2026, and 2027. Our services will include a financial audit of the Agency's financial statements and other requested services. Our firm will provide timely audit services and a "big picture" report to the members of the Board of Health reviewing operations, audit conclusions, and recommendations.

We understand the audit will be performed in accordance with generally accepted auditing standards (GAAS) as contained in the Statement on Auditing Standards of AICPA and to the extent applicable, *Government Auditing Standards* and the Uniform Guidance. We will plan our audit assuming the Agency's financial statements will be prepared in accordance with U.S. generally accepted accounting principles. We will meet the time frames outlined in the request for proposal, assuming the Agency provides the required trial balances and schedules by the necessary dates.

Why We Believe We Are the Best Qualified

- ➤ The engagement principal assigned to your audit has more than 30 years of experience in governmental auditing and accounting, including extensive experience with GASB 34 financial statements.
- ➤ Maner Costerisan's experience includes auditing more than 300 governmental entities including cities, villages, counties, townships, school districts, libraries, health departments, road commissions, other local authorities and agencies, and various departments of the State of Michigan.
- > Our firm is a member of the Governmental Audit Quality Center (GAQC), established by the American Institute of CPA's (AICPA).

- The independent review principal assigned to your audit serves as the co-chair of the Michigan Government Finance Officers Association-Accounting Standards Committee. This committee supports governmental accounting and financial reporting advancement through active participation in the review and analysis of proposed pronouncements from authoritative accounting standard-setting bodies.
- The independent review principal assigned to your audit currently serves, and the engagement principal previously served, on the Michigan Committee on Governmental Accounting and Auditing. This committee provides guidance that local units of government may use in complying with accounting and auditing requirements in the State of Michigan. As a result, a considerable amount of time is spent working with representatives of the State Treasury Department, Municipal Finance Commission, and the Department of Transportation.

We understand the importance of conducting an engagement in a manner that will cause the least disruption to your office. All of our efforts are directed toward achieving the completion of these projects with the highest degree of quality. We have included our most recent peer review report. We again received a "pass" report.

The accompanying proposal is a firm and irrevocable offer for the financial statement audits of the fiscal years ending September 30, 2025, 2026, 2027. This proposal is effective for 60 days. We pride ourselves on completing our audits in a timely fashion and will perform the audit of the Agency's financial statements within applicable deadlines. Our proposal is a written expression of our plan of services and qualifications, but it cannot completely convey the enthusiasm with which Maner Costerisan approaches this opportunity.

I look forward to hearing from you.

Sincerely,

Aaron M. Stevens, CPA, CGFM

About Maner Costerisan

Over 115 years in business. That means Maner Costerisan has more than a century of experience in looking toward the future. We've learned a lot over the last 100-plus years, growing from a small, local firm serving mid-Michigan in the early 1900s to one of Accounting Today's Top Regional Firms (2021-2025).

Our growth and success are directly connected to strong relationships with our clients. We listen to their problems and help solve them.

We begin every business relationship by immersing ourselves in your goals, obstacles, and opportunities. We understand where you are today and learn where you want to go tomorrow. This insight empowers us to develop creative, flexible, cost-effective solutions to get you there. Not some vague, one-size-fits-all plan, but a comprehensive, step-by-step blueprint for success. Designed to keep you compliant and turn today's potential into tomorrow's achievements.

We may work with numbers and figures, but it's people and relationships that drive us. Our mission is to enable others to reach their potential.

Every day, this is how we prove "client first" is both our promise and our passion:

- Proactively using our industry experience and knowledge to stay on top of your ever-changing requirements and the latest legislative changes impacting your industry.
- We're a trusted advisor and sounding board, delivering strategic solutions and hands-on guidance to help put you ahead of obstacles.
- Ensuring every client works exclusively with senior-level professionals, experienced in your industry giving you direct access to our partners and managers every step of the way.
- Listening to your needs and challenges. Developing actionable solutions to help you get where you want to be.

Government Expertise

With Great Power Comes Great Scrutiny - Today, more is expected from government entities, so no one is more dedicated to offering smarter, cost-effective solutions than the experts at Maner Costerisan. We're deeply connected with the Michigan government and have hands-on experience working at every level. This experience empowers us to offer proactive solutions, going beyond just compliance maintenance. Our team knows how to help you get the most of tight budgets and manage talent shortages while staying on top of the shifting laws, rules, and regulations. Whether as a long-term partner or short-term resource, we're here to step in and help make any department stronger, so you can give your best to working for the public good.

Expertise in Action:

What Makes Maner Different?

Our professional staff is highly trained to provide services to governmental and nonprofit organizations and related entities in the areas of accounting, taxation, and consulting. Professional training is maintained by staff members through participation in and presentation of educational programs conducted both in-house by our firm and sponsored by national, state, and local professional societies and associations.

We perform these highly complex and regulatory-heavy audits. We are also certified to provide peer reviews of other CPA firms, reviewing their quality control systems to ensure they perform audits at the highest standards.

Other CPA firms seek our experienced professionals to review and grade their performance.

Client service remains at the heart of everything we do at Maner Costerisan. In June 2024, we received our fifth consecutive "Best of Accounting" Client Satisfaction Award from Clearly Rated.

Independence

Maner Costerisan is independent with regard to the Branch-Hillsdale-St. Joseph Community Health Agency. We meet all the independence requirements of Generally Accepted Auditing Standards and *Government Auditing Standards* in relation to the Agency.

We affirm that we will follow the AICPA Interpretations of 501-3.

The firm will give the Agency's management written notice of any professional relationships entered into during the period of this agreement which would impact the independence of, or relationship with, the Agency.

Overview of Firm

Maner Costerisan was founded in the early 1900s. Since that time, we have grown into the largest local accounting firm in mid-Michigan, and we are recognized as a leader in conducting traditional and non-traditional services in the region. Maner Costerisan's main office is located at 2425 E. Grand River Avenue, Suite 1, Lansing, Michigan 48912. The immediate access to our experts and engagement team results in increased efficiencies and faster completion times for our engagements. In addition, our affiliation with BDO Alliance USA provides us easy access to additional professional and technical resources.

The firm consists of approximately 205 individuals, including 31 shareholders (principals). Of the 80 members of the audit department, all of them provide audit services for either governmental or nonprofit organizations. Most staff join our firm immediately after college through a very selective recruitment program. Our professional staff is highly trained to provide services to governmental and nonprofit organizations and related entities in areas of accounting, taxation, and consulting. Professional training is maintained by staff members through participation in and presentation of educational programs conducted both in-house by our firm and sponsored by national, state, and local professional societies and associations.

The audit of the Agency's financial statements will be performed by full time professionals from our Grand Rapids and Lansing offices.

Our firm participates in the AICPA Peer Review Program of the National Peer Review Committee (NPRC). We have received a "pass" peer review during every review since the inception of the program, including the most recent review in July 2023. We have received approval as a registered firm under the Public Company Accounting Oversight Board (PCAOB) and are a charter member of the AICPA Government Audit Quality Center. Please refer to Appendix A for our most recent peer review letter. Our most recent peer review included a review of specific governmental engagements.

We have specific governmental experience and have served as the audit firm for many local governments for over 40 years. The importance of the institutional knowledge we have gained over the years cannot be overemphasized. We have a long history of working with organizations like yours and believe we are the best firm to service your needs. Our clients have come to expect diversity of services and personal attention, our strength stems from a highly professional and dynamic staff. In 2024, governmental engagements accounted for more than 25% of the firm's practice.

Overview of Firm (cont.)

Our clients have shown us that they want the resources of a large accounting organization yet prefer to maintain the close, personal interaction only possible with an independent CPA firm. To expand our services, Maner Costerisan participates in BDO Alliance USA. We are an independent member of the BDO Alliance USA, a nationwide association of independently-owned local and regional accounting, consulting, and service firms with similar client service goals. By supplementing our services, the BDO Alliance USA allows us to:

- Enhance our client services and broaden our capabilities overall
- Expand our domestic and international coverage
- Gain greater technical knowledge in specialty areas
- Utilize professionals with experience in a wide range of industries
- Access the most up-to-date technical information
- Participate in the latest training programs
- Provide our clients with key contacts and sophisticated professionals throughout the U.S.

The BDO Alliance USA brings us the necessary tools to help us better serve our clients with greater flexibility, efficiency, and cost-effectiveness.

The BDO Alliance USA is a subsidiary of BDO USA, LLP, a Delaware limited liability partnership. For more than 100 years, BDO has provided quality service through the active involvement of experienced and committed professionals. The firm serves clients through more than 65 offices and over 750 independent alliance firm locations nationwide. As an independent Member Firm of BDO International Limited, BDO serves multi-national clients through a global network of more than 91,000 people working out of more than 1,600 offices across 167 countries.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms. BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Members of BDO Alliance USA must undergo a rigorous screening process and are evaluated on professional standards - including a periodic peer review under the auspices of the American Institute of Certified Public Accountants. Maner Costerisan's participation in the Alliance is further assurance that our firm can provide the level of service and resources required to serve effectively and efficiently. We will help you develop solutions that work.

Single Audits

The "Single Audit" is required to be performed for governmental units that expend \$1,000,000 or more in federal financial assistance in a fiscal year. This type of audit covers compliance with grant regulations and contract provisions, along with financial areas.

We have attained extensive experience with governmental units related to grant funded programs, either by performing Single Audits or providing monitoring and technical assistance services. We have performed Single Audits for numerous governmental units and nonprofit organizations, and currently perform more than 150 Single Audits annually. All team members assigned to the Branch-Hillsdale-St. Joseph Community Health Agency's engagement have experience auditing federal programs. This experience would prove beneficial to the Agency in assisting in applying for and auditing of grants.

Desk or Field Reviews

Single Audits that have been subjected to desk reviews by Federal and State agencies have always received acceptable results on these reviews. We have also received acceptable results on all Federal or State field reviews on our Single Audits. No disciplinary action has been taken or is pending against our firm during the past three years with state regulatory bodies or professional organizations. Our governmental principals have extensive experience with the Single Audit, which assures that audit coverage and reporting requirements are met.

Summary of Qualifications

Your Audit Team

Choosing the right professionals to serve you is a critical element of success. In selecting your service team, we reviewed carefully our understanding of your needs, as well as your plans, and identified the people whose credentials are ideal for you. The individuals we have selected have a demonstrated track record with governmental clients, strong technical backgrounds, and outstanding leadership and communication skills.

Client service and satisfaction are among our prime considerations. One of the most important services we provide our clients is monitoring their needs on a continual basis. This begins at the staff level and progresses all the way to the shareholder-in-charge of your account. We believe it is important that our clients have several resources to help them rather than just one. We have found this type of teamwork facilitates the identification of issues in advance and enables us to plan for them accordingly.

The key professionals you will work with are indicated in the chart below.

		Relevant	
	Member(*)	Experience	Position
Aaron M. Stevens, CPA, CGFM	1, 2, 3	31 years	Engagement Principal

Dane M. Porter, CPA, CGFM	2,3	22 years	Senior Manager

(*) 1) Member of Michigan GFOA 2) American Institute of CPAs 3) Michigan Association of CPAs

The audit team assigned to your engagement has <u>significant experience in governmental accounting and auditing and provides services to governmental units year-round</u>. Our firm and all of our personnel are committed to providing the highest quality of service. We have not had any complaints leveled against the firm or the individuals listed in this proposal by the AICPA, the State Board of Accountancy, or any other regulatory authority. In addition, upon being selected, an appropriate number of staff would be assigned once detailed schedules of dates have been determined. It is in the best interest of the Agency as well as Maner Costerisan to maintain continuity of staff on every engagement from year to year and we make every effort to make that possible.

Summary of Qualifications (cont.)

Your Audit Team (continued)

Our Audit Approach

We pride ourselves on understanding our clients and their unique needs. Based on this firm-wide standard, we dive into the audit process by assessing your organization's needs and risks. After digging into the details and getting a better sense of your firm's goals, challenges, and situation, we'll design a tailored audit approach that best fits your circumstances.

Planning & Interim Audit Work Planning & Final Audit Work Reporting

Less Stress. More Impact.

While standardizing efficiency can be a profitable strategy, rigid uniformity for its own sake reduces efficiency and creativity. That's why we've adopted a forward-thinking approach that encourages flexibility based on your needs. We're realistic and want to make this process - which can be challenging and overwhelming - as simple as possible for you. Our team constantly brings forward new ideas to make the process easier for our clients while staying true to our professional standards and ethical commitments.

An audit can sometimes feel like one more thing to manage on your already full plate. We schedule our work to minimize the impact on your staff while maximizing the effectiveness of our engagement team and process. Timing can be everything - so we collaborate with you to ensure we're partnering in a way that works for your key stakeholders - on the way to making the audit process less of a headache.

What to Expect

Effective communication, technology, and creative analytical tools are fundamental to our audit process. In addition, we lean into the following key components to ensure our audit process produces an accurate, efficient, and effective audit that follows professional standards. It also provides helpful insight to ensure your plan is doing its best for its participants.

Audit Programs

We utilize PPC for our Governmental audit planning and audit programs as well as take a tailored approach on a client by client basis.

Our Audit Approach (cont.)

Internal Quality Control

Governmental audits conducted are subject to an independent review in accordance with our Quality Control Procedures.

Identification of Potential Audit Problems

We do not foresee any potential audit problems. Should any audit problems arise, we will discuss and address them with management so as to minimize the effect on the timely completion of the fieldwork and resulting report.

Audit Hours

The following summarizes our estimate of the audit hours required to complete the engagement for the fiscal year ending September 30, 2025, detailed by team member level and segment of the engagement:

Our Audit Approach (cont.)

Key Components of the Audit Process

PLANNING

- While investing in this step takes time, it leads to a more effective and efficient audit.
- In this stage we develop an understanding of your plan and how it operates.

SCHEDULING

 We'll introduce our team ASAP and begin staffing and scheduling your audit, keeping in mind consistency of staff and increased efficiency in long-term engagements.

FIELD WORK & WRAP UP

 We schedule our fieldwork well in advance with predetermined objectives and requested items.

PROGRESS MEETINGS

 We'll set up regular meetings with stakeholders to discuss our status and any open items or challenges we face in completing the audit - so nothing is a surprise.

TECHNOLOGY

- We utilize technology to optimize the audit process.
- By leveraging paperless documentation, client portals, and software, we work to streamline and create efficiencies throughout the process.

STAKEHOLDER EXPECTATIONS

- We aim to be the ultimate professionals, respecting your team's time and busy workload.
- We'll work together to help document your systems, prep confirmations, and gather source documents as efficiently as possible.

DEADLINES

- Meeting deadlines is a top priority.
- Absent events beyond our control, be assured we'll meet all deadlines we've collectively established in the Planning stage.

QUALITY CONTROL

- We have an extensive review process to ensure the highest standards are met. A firm principal reviews all services before they're considered "complete."
- It's our policy to lock audit work papers within 45 days of the report date, allowing time to resolve any issues and still meet professional standards.

Timeline

Below is a suggested timeline for the project based on our experience with similar clients. As always, we'll work with you to create a timeline that works best for your team.

Additional Service Capabilities

Maner Costerisan's dedicated Government team delivers an unprecedented level of support where you need it most. You'll get guidance from partner-level staff, along with hands-on help proven to lower costs and elevate performance. When every dollar matters, trust Maner to get the job done.

Outsourced Accounting Solutions

From day-to-day accounting support to filling a CFO role, we can supplement your dedicated accounting staff with a team of experts. It's the proven way to lower costs and minimize disruptions to daily operations - all while staying compliant and implementing data-driven financial strategies that can secure a bright future for your municipality.

Technology

When every recourse is precious, the right technology makes all the difference. Our experts can help you customize, implement, and maintain technology that streamlines your accounting, improves communication across departments and delivers actionable financial analytics for better decision-making - all while upholding the highest level of security.

Defined Benefit & Contribution Plans

Managing and growing a large asset pool like a government entity's retirement plan is a huge responsibility. Which is why we bring decades of skill and experience to the job - considering countless factors from investment volatility to your fiduciary obligations. Working with our team helps reduce your liability and potentially lowers costs and fees, while giving your employees more choices and control.

Audit & Assurance

When you work for the public, financial transparency and accuracy are essential. We'll complete an independent review of financial statements and provide a detailed report that confirms the reliability of your data - protecting you and the trust of the people you serve.

Wealth Management

While you're working long hours to support your clients and community, we help make sure your money is working for you. Our wealth management experts customize investments around where you are today and where you want to be tomorrow. With our sound, proven investment strategy, you can be confident your money is building toward your personal goals and the retirement of your dreams.

Fees

The cost of the audit is based on the amount of time it takes to perform the audit of the Agency. Our charges for audit or management services are based on the level of team member necessary to perform the services. The standard hourly governmental audit billings rates are as follows:

Principal	\$ 300 - 420
Senior Manager	285 - 300
Manager	250 - 285
Senior Associate	180 - 220
Associate	125 - 180
Technology	160 - 250
Administrative	105 - 150

These billing rates would also apply to any management services assistance or other services the Agency may request that are not covered by the scope of the audit.

The fees quoted below assume the Agency's records are in reasonable condition and are based on anticipated levels of client assistance and expertise. Should any of these levels of assistance or expertise change significantly during the period of our engagement, we will need to discuss this situation with the Agency to determine a plan of action for the remainder of the agreement. If circumstances are encountered (i.e., unrecorded accruals, unbalanced records, significant audit journal entries, inadequate staff assistance, etc.), that cause us to spend additional time that was not planned we will discuss the situation with you prior to performing any additional services.

Because we believe that building relationships with our clients through multi-year engagements proves to be mutually beneficial, we propose the following cost schedule for a three-year engagement:

Year Ending	Financial		Preparation of				
September 30,	Audit		Audit		Form 5572		Total
2025	\$	21,500	\$ 275	\$	21,775		
2026		22,800	300		23,100		
2027		24,200	325		24,525		

The fees quoted above assume that the Agency will be required to have a single audit, with one major federal program. If additional major federal programs are required to be audited under the Single Audit Act in any given year, there will be an additional charge of \$4,000 per additional major federal program audited.

If assistance is needed with the calculation of the annual depreciation expense, such assistance is considered outside the scope of the audit and our fees will be based on the services rendered at our standard hourly rates.

If additional procedures are necessary to assist with implementation of new accounting standards (such as GASB Statements No. 101, 102, 103, or 104), such assistance is considered outside the scope of the audit and our fees will be based on the services rendered at our standard hourly rates.

Fees (cont.)

Because we are extremely interested in serving the Agency and the fact that our team members have a great deal of experience working with governmental units, we are proposing a significant discount to our cost estimate. The price schedule detailed above is a firm price assuming the Agency records are as anticipated, and we are provided reasonable Agency staff assistance. If our team members spend more hours than the projected hours detailed above that are not due to certain circumstances (i.e., unbalanced record, improperly recorded activities, the state of the records being significantly different than what was stated in the proposal process, inadequate staff assistance, etc.) then we will not bill for any amounts over the cost estimate. During each year of the audit, we will spend approximately 20% more in costs than what is projected above, however, we will not bill you for that additional time unless it exceeds the 20% amount which would be caused by circumstances such as those items listed above that would be discussed with the Agency prior to incurring any additional time.

Our proposal is to provide the Agency with auditing services (attest services), rather than accounting services (non-attest services). The cost schedule detailed above assumes that extensive journal entries to adjust the accounting records (i.e., bookkeeping) will not be required as part of the audit process. If a significant number of journal entries are required in order for the financial statements to be fairly presented, we propose a per entry fee of \$200. Creation of required schedules will be the responsibility of the Agency but if the Agency needs assistance to prepare any of the necessary supporting schedules, we will assist in this and we will perform these services at the above stated rates.

The fees quoted for years subsequent to 2025 may be subjected to renegotiation if significant changes in professional standards, reporting requirements, or Agency staffing make our initial estimate of hours to complete the audit unrealistic. If any such significant changes occur, we will discuss the reasons with you and arrive at a new fee arrangement prior to incurring any additional charges.

If certain circumstances are encountered, such as significant areas not being ready for audit that delay or disrupt field work or those issues listed above, we will discuss them with you and negotiate additional billings. While we do not expect that there will be additional billings in any audit year, because of the discounted fee that is being proposed, it is important that the Agency adhere to the agreed-upon audit schedule - allowing us to conduct the audit as efficiently as possible.

Peer Review Report

Report on the Firm's System of Quality Control

July 31, 2023

To the Principals of Maner Costerisan PC and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Maner Costerisan PC (the firm) in effect for the year ended March 31, 2023. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a system review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported on in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Reilly, Ferner Berton LLP

Engagements selected for review included engagements performed under Government Auditing Standards, including compliance audits under the Single Audit Act; and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Maner Costerisan PC in effect for the year ended March 31, 2023, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency(ies), or fail. Maner Costerisan PC has received a peer review rating of pass.

Systems Review Report
Exhibit A – Preliminary Fieldwork
Exhibit B – Financial Fieldwork

July 30, 2025

Branch-Hillsdale-St. Joseph Community Health Agency Coldwater, Hillsdale, Three Rivers, and Sturgis, Michigan

We would like to submit the following proposal in connection with the annual financial and single audits for Branch-Hillsdale-St. Joseph Community Health Agency (BHSJ Community Health Agency). This proposal is for fiscal years ending September 30, 2025, 2026, and 2027, and includes two optional one-year extensions.

Roslund, Prestage & Company, P.C. (RPC) has been providing a full range of accounting and auditing services for over 50 years, which has provided us with the opportunity to gain valuable experience in our chosen areas of expertise. In addition, we have strived to develop an experienced audit staff by providing a work environment that has historically resulted in little turnover during this period. We believe that this experience, along with our commitment to using partners and senior level auditors when conducting fieldwork, has given our firm a distinct advantage and has served us, and our clients, well. We are committed to providing audit services to our clients with well-trained, experienced personnel.

RPC is a leading provider of community mental health auditing services in Michigan. We currently serve more local and regional community mental health agencies than any other audit firm in the state. These agencies share many characteristics with public health agencies, including similar funding sources, internal controls, reporting requirements, regulatory frameworks, and government oversight.

The BHSJ Community Health Agency is comparable in size to many of our existing mental health clients. It operates within a similar geographic area. Specifically, we currently audit Branch County Community Mental Health (d/b/a Pines Behavioral Health Services), LifeWays (serving Jackson and Hillsdale counties), and Pivotal (serving St. Joseph County).

Our extensive experience with community mental health agencies - as well as with Michigan Works! agencies, cities, and school districts - positions RPC well for a seamless transition to auditing health agencies.

Our understanding of the work to be done is further described in the Work Plan section of this bid.

RPC is committed to providing the audit services in a timely manner and consistent with the requirements stated in the request for proposal.

Drafts of the audit reports will be available for your review, comments, and recommendations prior to issuance of final reports. This proposal will remain firm and irrevocable for 90 days from the date of this letter.

Christina M. Schaub is authorized to represent RPC and speak in its' behalf, is authorized to submit this bid, and to sign contracts with BHSJ Community Health Agency.

We welcome a thorough review of our qualifications and encourage management to investigate our references, capabilities, and integrity. We thank you for your consideration of RPC as your independent auditors and we are available at your convenience to answer any further questions should they arise.

Respectfully submitted,

Christina M. Schaub, CPA

Roslund, Prestage & Company, P.C. Branch-Hillsdale-St. Joseph Community Health Agency Bid Proposal

Mandatory Criteria

1. Affirmation that the proposer is properly licensed for practice as a certified public accountant.

RPC affirms that each of its partners are licensed as Certified Public Accountants in the State of Michigan and are duly authorized to practice public accounting in the State of Michigan.

RPC affirms that all staff who have obtained the Certified Public Accountant (CPA) credentials are duly authorized to practice public accounting in the State of Michigan.

2. Affirmation that the proposer meets the independence requirements of the Government Accounting Standards.

RPC affirms that each of its partners and staff meet the independence standards of the American Institute of Certified Public Accountants and Governmental Auditing Standards - Standards for Audits of Governmental Organizations, Activities and Functions.

Those standards provide for three areas where independence is tested. Those three areas are personal impairments, external impairments, and organizational impairments.

Our firm and each of its staff members affirm that they are independent regarding the stated areas.

In our role as independent auditors, we may provide limited non-attest (non-audit) services. Before performing non-attest services, we will establish and document in writing the understanding with the client regarding:

- 1) the objectives of the engagement
- 2) the services to be performed
- 3) the client's acceptance of its responsibilities
- 4) our responsibilities
- 5) any limitations of the engagement

In addition, we require that the client assume all management responsibilities pertaining to the non-attest services and oversee the services by designating an individual who possesses suitable skills, knowledge, and experience to assess and take full responsibility for the non-attest services performed. In every case, management must take full responsibility for non-attest services provided by RPC.

3. Affirmation that the proposer does not have a record of substandard work.

We affirm that RPC does not have a record of substandard audit work. RPC has never been subjected to any inquiry or other action by any state or federal regulatory body or professional organization regarding substandard audit work nor are we aware of any such action pending.

Profile of the Independent Auditor

1. <u>The organization and size of the respondent, whether it is local, regional, national or international in operations.</u>

RPC is a local firm that has 26 full-time staff.

2. The location of the office from which the work is to be done and the number of professional staff by position employed at that office.

RPC has one office located at 525 West Warwick Drive, Suite A, Alma, Michigan 48801. RPC has 12 certified public accountants, 5 professional staff, 7 paraprofessional, and 2 clerical staff. 7 of the 26 staff work solely on governmental audits

3. A description of the range of activities performed by the firm such as auditing, accounting, tax service or management services.

We currently provide a wide variety of services including:

- Financial Audits
- Single Audits
- Compliance Audits
- Compilations
- Tax Return Preparation
- Forecasts & Projection
- Business Consulting
- Management Advisory Services
- Internal Control Reviews
- Payroll and Payroll Tax Preparation

RPC conducts approximately 50 financial audits, 30 single audits, and 37 compliance audits each year.

4. A description of the firm's expertise regarding new audit standards including training, educational presentations, articles and a summary of how your firm has assisted its clients with the successful implementation of those standards.

Our firm has extensive experience serving community mental health agencies, and other publicly funded organizations across Michigan. We are familiar with the unique accounting, auditing, and compliance environments that affect these agencies, especially those operating under Michigan's Department of Health and Human Services (MDHHS), receiving federal and state grants, and undergoing Single Audits and Yellow Book audits.

We maintain a training program focused on:

- The latest updates to the Government Auditing Standards (Yellow Book), particularly independence and quality control requirements.
- The Uniform Guidance (2 CFR Part 200) compliance for federal programs frequently administered by health agencies, such as Substance Abuse Prevention and Treatment Block Grants (SAPT), Medicaid, and CDC grants.
- Implementation of GASB standards relevant to public health entities, including GASB 87 (Leases) and GASB 96 (SBITAs).

We are active participants in the AICPA Governmental Audit Quality Center (GAQC) and integrate its technical materials into our audit planning and execution. We provide tailored support to our clients on upcoming GASB and audit changes, with a focus on practical steps for implementation.

Profile of the Independent Auditor (continued)

We have assisted many of our clients with the implementation of key standards and compliance requirements, including:

- GASB 68/75 (defined benefit pension and OPEB) Implementation: Provided tools to multiple organizations to assist with required calculations and implement financial reporting changes and sample disclosures.
- GASB 87/96 (leases/subscription-based IT arrangements) Implementation: Worked with multiple
 organizations to identify leases and subscription-based IT arrangements, provided tools to assist in the
 preparation of amortization schedules, and assist with implementation of financial reporting changes and
 sample disclosures.
- Single Audit Support: Helped agencies navigate federal funding audits (e.g., CRF, ARPA, Mental Health Block Grants) by providing guidance on SEFA preparation, assessing internal controls, and improving grant documentation and procurement processes.

Our governmental clients value our combination of technical knowledge, regulatory insight, and practical support. We work collaboratively with finance staff to ensure compliance, transparency, and readiness for new audit and accounting standards.

5. A statement of the firm's staff capability to audit federal programs, including the number and classifications of personnel skilled in federal program auditing who will work in the audit, if required to.

RPC has strived to develop an experienced audit staff by providing a work environment that has historically resulted in little turnover during this period. The resumes of our audit staff detailing their education, work experience, and areas of expertise are shown below.

Summary of Proposer's Qualifications

Identify the audit managers and field supervisors and other staff who will work on the audit, including staff from
other than the local office. Resumes including relevant experience and continuing education for auditor incharge up to the individual with final responsibility for the engagement should be included. (The resumes may
be included as an appendix)

Summary of Proposer's Qualifications (continued)

Summary of Qualifications

RPC has been providing a full range of accounting and auditing services for over 50 years, including 40 years in the community mental health industry, which has provided us with the opportunity to gain valuable experience in the health field. In addition, we have strived to develop an experienced audit staff by providing a work environment that has historically resulted in little turnover during this period. We believe that this experience, along with our commitment to using partners and senior level auditors when conducting fieldwork, has given our firm a distinct advantage and has served us, and our clients, well. We are committed to continuing providing audit services to our clients with well-trained, experienced personnel.

We affirm that:

- Each of the above CPA level staff are licensed to practice as a certified public accountant in Michigan.
- Each of the above staff meets the continuing professional education requirements of the Government Auditing Standards - Standards for Audits of Governmental Organizations, Activities and Functions.
- Each of the above CPA-level staff attends at least 40 hours per year of continuing professional education, with the majority being in governmental accounting and auditing.
- We will make every effort to maintain consistency in assigning personnel to engagements.
- 2. Describe the recent local office's (i.e., the specific office from which the audit will be managed and staffed) auditing experience like the type of audit requested and provide the names and email addresses of client officials responsible for at least three of the audits listed as references.

RPC's office in Alma, Michigan currently is providing audit services to 37 community mental health agencies, 10 school districts, and 9 other municipalities and other agencies. All our audit staff have direct assignments to each of our engagements.

Proposer's Approach to the Examination (continued)

Work Plan (continued)

Financial Statement Audit

RPC will audit the financial statements for the purpose of expressing an opinion on them. Our audit will be made in accordance with the requirements stated in the Statement of Requirements section.

Accordingly, our audit will include such tests of the accounting records and such other auditing procedures, as we consider necessary in the circumstances. Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, direct confirmation of receivables, and certain other assets and liabilities by correspondence with selected customers, creditors, legal counsel, and banks. At the conclusion of our audit, we will request certain written representations from you about the financial statements and matters related thereto.

As a part of our audit, we will make a study and evaluation of management's system of internal control to the extent we consider necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of our study and evaluation is to establish a basis for reliance on the system of internal control in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to assist the auditor in planning and performing the audit of the financial statements. This study will not necessarily disclose all weaknesses in the system because it is based on selective tests of accounting records and related data. Should such study and evaluation disclose conditions that we believe could be material weaknesses, they will be reported in our internal control letter for your review and comments.

Our engagement is subject to the inherent risk that material errors, irregularities, or illegal acts, including fraud or defalcations, if they exist, will not be detected. However, we will inform you and the State of Michigan of any such matters that come to our attention. Any such irregularities that may come to our attention that require extended services by RPC will be promptly advised to the appropriate level of management and our contract will be amended by mutual consent. No services will be performed unless they are authorized in the agreements or in an amendment to the agreement reached.

Samples of transactions and / or account balances are reviewed for purposes of understanding and testing the internal control policies and procedures. Samples are randomly selected based on account materiality and risk assessment.

Analytical review procedures are used extensively including:

- Comparison of current year balances to the prior year audited balances.
- Comparison of current year balances to the current year budget.
- Common ratio analysis.
- Various other analytical analysis.

In connection with the above financial audit, we will provide the following:

- Financial Audit Report
- Confirmation of Submission to Treasury

Proposer's Approach to the Examination (continued)

Work Plan (continued)

Single Audit

RPC will perform an audit for the purposes of issuing an opinion on compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the applicable major federal programs.

RPC will audit the schedule of expenditures of federal awards (SEFA) for the purpose of expressing an opinion on it in relation to the financial statements as a whole.

Accordingly, our audit will include such tests of the accounting records and such other auditing procedures, as we consider necessary in the circumstances. Our procedures will include tests of documentary evidence supporting the transactions and compliance with the applicable requirements. At the conclusion of our audit, we will request certain written representations from you about the financial statements and matters related thereto.

In connection with the above single audit, we will provide the following reports:

- Single Audit Report
- Confirmation of submission to Treasury
- Workbooks used in the submission to the Federal Audit Clearinghouse

Audit Programs

The audit programs used by RPC are provided by Practitioners Publishing Company (PPC). These standard audit programs are modified by us during the planning stage to fit the individual needs of each audit. The audit programs are very detailed and cover an extensive range of recommended practices and procedures.

We will provide, in advance, with a detailed list of audit data that is to be provided to us for each phase of the engagement. See Exhibit A (preliminary fieldwork), Exhibit B (financial fieldwork) for a list of items that you will need to provide.

Sample size and the extent to which statistical sampling is used in this engagement.

Financial

Samples of transactions and/or account balances are selected and tested to gain an understanding of the internal control policies and procedures for the purpose of determining if the applicable controls can be relied upon to reduce substantive testing. Samples are randomly selected and based on account materiality and risk assessment. The areas in which sampling is used and the range of the sample size are as follows:

Disbursements: 25-40

Payroll: 15-25Cash Receipts: 5-10Journal Entries: 5-10

Credit Card Transactions: 100% of one month

Single Audit

Samples are randomly selected for testing based on guidance provided in OMB Uniform Guidance (2 CFR 200) and the Bureau of Substance Abuse Services Audit Guidelines (if applicable), as well as our risk assessment. The sample sizes can vary significantly based on the amount of activity in the programs tested. The areas in which sampling is used are as follows:

- Receipts/Draws
- Payroll
- Disbursements
- Cash receipts
- Eligibility (if applicable)
- Contracts
- Reporting

Proposer's Approach to the Examination (continued)

Work Plan (continued)

Extent of use of software in the engagement.

We currently use Thomson Reuter's *Engagement Manager* software as our primary engagement software. This incorporates trial balance management, lead sheets, various analytical review functions, and file management. This software is compatible with Excel, Word, and Adobe, which we use extensively for our work papers. All files are maintained electronically.

We request all client documents to be provided in Excel, Word, or Adobe (Pdf) formats.

Approach to be taken to gain and document an understanding of internal control structure.

As a part of our audit, we will make a study and evaluation of the system of internal control to the extent we consider necessary to evaluate the system as required by generally accepted auditing standards. This process will include inquiry of management, review of policy and procedures, review of organizational charts, performing a walkthrough of each of the major control processes (i.e., disbursements, payroll, receipts, bank reconciliations) to determine if the processes are in place and properly implemented. We will obtain copies of client prepared narratives, flowcharts, and other documents used in the internal control system.

Approach to be taken in determining laws and regulations that will be subject to audit test work.

We will inquire of management about compliance requirements (i.e., provisions of laws, regulations, contracts, and grant agreements) that could have a material effect on the determination of financial statement amounts. We will assess management's identification of compliance requirements that may have a material effect on the determination of financial statement amounts and obtain an understanding of the possible effect of the compliance requirements on the financial statements. We will consider knowledge about compliance requirements obtained in performing similar audits and discuss compliance requirements with the governmental unit's chief financial officer, legal counsel, internal auditor, or grant administrators.

We will also perform the following:

- We will review relevant portions of directly related agreements, such as grant and debt agreements.
- Identify sources of revenue, review related agreements, and inquire about legal requirements and enabling legislation relating to using and accounting for the revenue.
- Review minutes of meetings of the governing body for enactment of laws and regulations or information about contracts and grant agreements.
- Inquire of federal, state, or local auditors, or other appropriate audit oversight organizations about applicable compliance requirements, including statutes and uniform reporting requirements.
- Obtain legal representation letters from the governmental unit's legal counsel and evaluate the responses.
- Review information included in the OMB Compliance Supplement and any subsequently issued relevant guidance, federal audit guides, similar state and local policies and procedures program publications, applicable AICPA audit and accounting guides, content available from other professional organizations and governmental associations, and other publications pertaining to applicable compliance requirements.
- Inquire of grantor audit, finance, or program administrators about restrictions, limitations, terms, and conditions pertaining to grants, contributions, and appropriations.

Proposer's Approach to the Examination (continued)

Work Plan (continued)

We will provide, in advance, a detailed list of audit data that is to be provided to us for each phase of the engagement.

Materials that will be requested from staff.

See Attachments:

Exhibit A – Preliminary Fieldwork Exhibit B – Financial Fieldwork

Conflict of Interest

RPC affirms that no principal, employee, representative, agent, or other person acting on behalf of RPC, or legally capable of acting on our behalf, is currently an employee of BHSJ Community Health Agency nor are they privy to insider information which would tend to give, or give the appearance of tending to give, an unfair advantage to RPC, which may constitute a conflict of interest.

RPC affirms that there are no known direct or indirect financial interests (including but not limited to ownership, investment interests, or any other form of remuneration) that may be present between RPC and BHSJ Community Health Agency personnel or those working on behalf of BHSJ Community Health Agency.

RPC <u>does not</u> subcontract any of our audit services.

Affirmations

- 1. We affirm that RPC and each of its partners are licensed as Certified Public Accountants in the State of Michigan and are duly authorized to practice public accounting in the State of Michigan.
- 2. We affirm that our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States.
- 3. We affirm that RPC does not have a record of substandard audit work. RPC has <u>never</u> been subjected to any inquiry or other action by any state or federal regulatory body or professional organization regarding substandard audit work nor are we aware of any such action pending.
- 4. We affirm that RPC has in place a system of internal controls and procedures to ensure that quality standards have been met and that we will disclose those controls upon request.
- 5. We affirm that RPC has successfully completed an independent on-site quality review of its accounting and auditing practice in each of the required years. Each of the reviewers' reports has been accepted and approved by the Quality Review Executive Committee of the Michigan Association of Certified Public Accountants. Firms can receive a rating of pass, pass with deficiencies, or fail.

RPC has received a peer review rating of pass.

The most recent on-site quality review, completed in June 2023, included a review of specific governmental engagements. A copy of the most recent external quality review report is included in the back of this proposal. (See Attachment).

- 6. We affirm that RPC is a voluntary member of the AICPA's Government Audit Quality Center. The Center's primary purpose is to promote the importance of quality governmental audits and the value of such audits to purchasers of governmental audit services. The Center also offers resources to enhance the quality of governmental audits.
- 7. We affirm that RPC has never been subjected to any disciplinary action by any state or federal regulatory body or professional organization nor are we aware of any such action pending.

Additional Information

Reports to Be Issued

We affirm that we will timely file all reports identified in this bid proposal (as applicable).

Single audit reports, if applicable, will be issued separately from the financial audit reports.

We will review the audit reports with the Finance/Audit Committee or the full board, whichever you prefer. The presentation of the audit reports is a standard service we provide, which normally consists of reviewing the Independent Auditor's Opinion, Financial and Single Audit Reports, and any other reports or documents provided.

In addition, we will inform our clients throughout the year of changes in accounting and auditing regulations.

We will also provide, at the conclusion of each audit, or upon management's request, any suggestions for improving accounting, management and recordkeeping procedures as we determine necessary.

Rates for Additional Services

The rates listed below are the rates effective January 1, 2025. Rates are subject to change annually.

- Christina Schaub \$375/hr.
- Derek Miller \$375/hr.
- William Hirschman \$375/hr.
- Sara De Jong \$225/hr.
- Trevor Kapp \$225/hr.
- Chris Lowe \$225/hr.
- Brent Wooton \$200/hr.

Non-Collusion

RPC affirms that this proposal has not been made or prepared in collusion with any other vendor and the prices, terms, or conditions thereof have not been communicated by, or on behalf of, RPC to any other firm and will not be so communicated prior to the official receipt of this proposal.

Manner of Payment

Our invoices for these fees will be rendered periodically as work progresses and are payable on presentation. We typically bill as follows:

- 25% of the engagement upon the substantial completion of planning, file set up, and preliminary fieldwork.
- 50% of the engagement upon the substantial completion of fieldwork.
- 25% of the engagement upon the issuance of the report.

Fees

The following fees are all-inclusive fees (costs not to exceed) for the audits:

	Financial Audit	Single Audit (Note 1)	Total

Report on the Firm's System of Quality Control

June 6, 2023

To the Shareholders of Roslund Prestage & Company, PC and the Peer Review Committee of the Michigan Association of CPA's

We have reviewed the system of quality control for the accounting and auditing practice of Roslund Prestage & Company, PC (the firm) in effect for the year ended March 31, 2023. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including a compliance audit under the single audit act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Roslund Prestage & Company, PC in effect for the year ended March 31, 2023 has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects.
